Here's A Quick And Easy Way To Collect Profit-Boosting Testimonials For All Your Products And Services! As you probably know, adding testimonials to a sales page can be a highly effective way of increasing sales. Testimonials provide credibility to your business, by showing that other people have bought your products or services before - and are happy with the results. Indeed adding a few high quality testimonials to a sales page can, in some cases, as much as double the profits generated from the same level of traffic. Clearly getting testimonials from your customers is a no-brainer. In order to get customers to give you testimonials, you need to make it as easy as possible, which means providing a simple form where customers can submit a testimonial. This ensures that customers include all the necessary information - and allows customers to easily submit a photo of themselves with their testimonial. Testimonial Express provides a quick and easy way to set up this type of testimonial submission form automatically. Just enter the details into the special Create Form tool! The tool will create new files that you upload to your website. Then you just direct customers to the web address of the form, in order to submit their testimonial. the testimonial submission form: Your customers simply fill in their details and click the Submit button. They can include a photo, by clicking the Browse button to select the photo file on their PC. The form will then automatically upload the photo file to your web server. Whenever a testimonial is submitted, you'll receive an email containing the testimonial and all associated information, including a link for the photo if one was submitted. Master Resale Rights!
