Article Submitter is the Fastest and Easiest way to get your articles posted on hundreds of article directories without spending hours and hours on the manual labor of doing so! Use Article Submitter and your articles to establish yourself as an expert in your particular area. Use Article Submitter and your articles to make more sales. Use Article Submitter and your articles to generate more traffic. Use Article Submitter and your articles to increase your Google Page Rank. Use Article Submitter and your articles to boost your Alexa rating. Feature one Article Submitter has 138 Auto Fill article directories for you to start posting your articles to! It also has an additional 25 Manual fill articles directory sites as well. Feature two You will have the ability to edit the included Article Directory submissions sites! What if one of them closes down... you just delete it from the list of directories in the software. What if another Article Directory site starts up that you want to submit to? You just use the Add Directory button and add as many additional sites to the software as you can find! The software is preloaded with 163 Directory sites already loaded in but you are welcome to load in as many more as you wish. Feature three Article Submitter software stores all of your personal information, resource box, and articles. It then will proceed one at a time to go to each of the articles sites for you, log you in and auto fill all of your content including your name, your article, your author resource box, even an article summery on any sites that ask for it! You will then need to manually select a category- this is the only real way to make sure your article ends up in the right place. You then click the submit button you have just submitted another article and it appears totally manual and natural to the article directory owner which is a must if you want your article to actually get published!
