20 minutes from now, you can have ... Your Own Instant Clickbank Store Have you got a spare domain sitting around and wondered what to do with it. Or maybe your just starting out and have nothing to sell right now or perhaps your looking for a new quick project to generate a few extra dollars. Why not spend 20 minutes and get a new website up and running. What is it? My students have been out gathering the top Clickbank products from all the different categories in Clickbank and they have compiled all these into one website you can call your own. There are over 300 products and all it takes to customize the whole site for yourself is copy and paste and find and replace. What you will receive: - All the source files for the web site: 300 pages of the top Clickbank products and the option to add many more - All the optimized graphics - Complete step by step video instructions to have your site customized with your ClickBank id and uploaded to your server in 20 minutes. - The ability to add any other products and services you want Lets face it; if you were to put this together yourself it would take over 60 hours of solid work, so why not benefit from my students hard work. All you need is a Clickbank ID and a web page editor. You can get both at no cost at all, so no extra costs will have to be made. No PHP required! Your Price For This Amazing Money-Making Package? Only \$1.99!
