

The Ultimate Play Better Golf Pack

[DOWNLOAD HERE](#)

An amazing golfers pack available for a limited time only. Course is zipped and in various file formats (pdf, mp3, software) You Get: #1: Exclusive Interview with world renowned Sport Psychologist (value \$197) This interview was recorded by a golfing sport psychologist, specifically for golfers looking to get down to low single figure handicaps. She talks about many of the strategies and techniques that elite golfers pay her thousands of dollars for. Youd literally have to pay a minimum of \$250 per hour to consult with a sports psychologist of this calibre to improve your game. Get everything you need in this insider secrets interview. # 2 : Golf Statistics Analysis Program (value \$37) This program is engineered to help you literally shave chunks off your handicap! Its features include analysis of every aspect of your game, allowing you to see exactly where you lose shots, superb graphical displays for quick visual analysis, and hole-by-hole stroke analysis on unlimited courses to give you access to every stat youd ever want (plus much more) about your game. Youll feel like youre on the PGA tour! #3: 18 of The Best Golf Articles This Decade Weve collated 18 of the best articles golfers all around the world have used to smash their handicaps into one place. These are taken from various magazines and include articles on club fitting, short game, secret drills, optimising practise and the ABCs of power. # 4: Subliminal Software Program This is an incredible program that works hard while you work. It flashes subliminal messages on your computer screen so it becomes anchored into your subconscious. All you have to do is plug in all the golfing beliefs that you want and let subliminal flasher do the rest. Sample messages might include: Under Pressure, I remain relaxed and execute my shots perfectly, Before each shot I visualise perfectly the flight and outcome, My head stays rock solid still when I putt # 5: Golf Mind Set Course Did you know that the Mind set and attitude you bring to your game determines not only your enjoyment of the game, but ultimately, your level of proficiency too? Jack Niklaus is famous for saying, mental preparation is the single most critical element of peak performance. In fact experts agree that anything up to 95 of success in golf is mental! Unfortunately, many people are unaware that they can improve their game just by changing the way they think, so they never actually reach their true potential. This program through audio and workbooks is designed to get your head right so your golf performs! #6: The Ultimate Golfers Manual

With hundreds of high resolution photos, this manual teaches you golf from the ground up, revising all the fundamentals and exploring many of the more advanced concepts of golf. Its over 200 pages of pure golf instruction designed to get you technically correct in every aspect of your game! # 7 : Golf Isnt Perfect Audio Book (Value \$29) This audio book goes beyond just the usual mental aspects of the game and the reliance on specific techniques. Professor Robert creates an attitude and a mindset about all aspects of a golfers game, from mental preparation to competition and with a conversational fashion in a dynamic blend of anecdote and lesson. You will improve your golf game and have more fun playing. # 8 : Golf Super Rejuvenator Paraliminal Audio (\$47) This 10-Minute Super Rejuvenator (Paraliminal recording) energizes and helps you become mentally alert before your round in just 9 minutes! Get full energy and concentration all round long...the single biggest weapon you have against your competition. Youll never suffer from golfing lapses or low energy again. Listen to this CD in the car on the way to your round or even after a draining round for maximum rest and calm. After just three weeks you will train your mind to use energy differently so you can harness it into a powerful weapon on the golf course! A must for anyone on the go!
