Enjoy the Indulgence of a Spa - In Your Home! Need a Quiet Getaway but Don't Have the Time or Money? Wish You Could Enjoy Relaxing Spa Treatments ANY Time? Looking for Something Fun to do with Your Friends? Enjoy Some Alone Time or Kick Back with Your Girlfriends - Plan a HOME SPA DAY! Audio MP3 AND PDF Included! Dear Spa-Lover, Sure you'd LOVE a day at the spa, but who can afford to do that every week? Your busy life demands that you spend some time rejuvenating and pampering yourself. Whether you're a stressed out mother, time pressed career woman, looking for fun activity with your friends - or all three - a home spa day can answer ALL your needs! Wouldn't you love a spa that opens when YOU'RE available? The problems with spas is that you have to book ahead or go when THEY'RE open. What about when you REALLY need them? After a long shift at work, late at night when the kids are in bed, or when weekend plans fall through and you suddenly have a quiet Saturday to spend at home? Where are the spas then? Have a Spa Day Anytime You Need it; You may have everything for your spa day in your cupboards already. If not, a quick look through some basic recipes and a trip to the store can provide you with plenty of raw material for many varieties of spa treatments - treat sore muscles, refresh tired skin, or clear your mind in a relaxing bath - whatever you need, whenever you want it. Not only is a home spa great for you - you can have a ball with your friends! Plan a bachelorette day before the wedding, create a 'mommy's day' with other mothers, or get creative and have fun making new treatments to try for a grown up pj party! Once you start, you may never pay spa prices again! Once you familiarize yourself with basic treatments and organize your 'spa day' essentials like candles, plush towels, music and refreshments you may find your home spa so convenient that it becomes part of your routine - something regular spas can't compete with! Home Spas Are Easy, Fun and Inexpensive Make your home spa setup as elaborate or simple as you want. Get friends to contribute to the spa day or stock your cupboards with your favorites so your spa is open for business when YOU want.
