Article Page Machine Introducing Article Page Machine This incredibly simple to use software allows you to convert any text article or data into a search engine friendly web page in seconds. No HTML knowledge required Simply enter a few details and in less than half a dozen mouse clicks you have a perfectly formatted web page. You can control table sizes, border thickness, background colours to match your existing web pages. Edit and Change article titles, sub headlines and paste in fresh content at the click of a button. You can also preview your created pages before saving them. With Article Page Machines excellent save template feature you can create dozens of new web pages in just a few minutes - Great for use with software like CB Text Ad Generator or Adsense and simple enough for anyone to use
