8 PLR Products Here's Your Opportunity To Legally Steal This New Collection And Put Your Name On It.? Claim All 8 PLR eBooks Now Before I Take This Offer Down! Dear Professional Marketer, One of the beauties of having your own Information Product is obviously making the sale instantly rather than having to wait for someone else to pay you your affiliate checks, and only a petty fraction of the product price on top of that. And as long as you're creator of your own product, you own the full rights and in a real essence, you have the license to decide your own profit potential. Which is perfect, of course, since you can also brand yourself in the process. I've also come to know of marketers who publish their work offline, too, simply by converting their E-Books into hard copy paperbacks - exploding their income further.
