Scratch Card Generator Prices - Only $5 Click Here For The SalesLetter Utilize Scratch Cards - One of the Most Effective, Profitable and Proven Methods of Promotion that People Absolutely Love , To Draw The Attention of your Website Visitors, Explode Your Opt-In List, Maximize Your Affiliate Commissions, Increase Sales of Your Own Product(s), Gain a Competitive Advantage, Market and Promote Anything You Want Successfully! Heres WHY People Love Scratch Cards! Why do people love scratch cards? For many reasons: 1. Winning gifts and prizes is something that all people absolutely love! 2. Not time consuming at all. All one has to do is scratch for a few seconds and possibly win something valuable! 3. Involve that feeling of excitement and enthusiasm! 4. What one stands to lose by not scratching. People are afraid they might lose gold if they dont scratch. 5. What one stands to win by scratching. Whats under that silver layer? Could be gold. Irresistible feeling, isnt it! :) 6. Easy to do - not involving any hard work. Introducing Scratch Card Generator 1.0 Now you can create your own professional-looking, stunning online scratch cards with text and images and branded with your logo for your website and shopping cart in minutes, using Scratch Card Generator. Create scratch cards that draw the attention of your website visitors, explode your opt-in list, maximize your affiliate commissions, increase sales of your own product(s), market and promote anything you want successfully! Scratch Card Generator Features & Benefits! Create as many scratch card projects as you want. Generate as many scratch cards as you like. Create two types of scratch cards: 1. Scratch-n-Win Cards: participants scratch for a chance to win whatever is hidden under the scratch area. 2. Scratch, Match-n-Win Cards: participants scratch for a chance to win whatever images match under the scratch areas.Rich, powerful and interactive Scratch Card designer. 3. Design your scratch cards using built-in image or by uploading your own images. 4. Create your cards by going through three tabs or steps. The tabs make it easy for you to go back and forth to edit anything. 5. Create scratch cards of any dimensions. You have full flexibility and control over the card size. 6. Customize your scratch card background. It can be an image or a colored background (one color or gradient). 7. Brand the scratch cards with your logo. Add your logo in one of 6 different positions in the background. 8. Add text to your scratch card and format it as you like (color, font, and

size). 9. Convert your favorite images to scratch areas! What a great implicit way to bring your site visitors attention to any product you want to promote! 10. Resize the scratch area without losing its quality. This is an important feature especially if the scratch area is an image. You can resize it manually to make sure it fully covers what it should hide (the prizes, etc.). 11. Drag and drop scratch areas and text elements wherever you want on the card. You can change their positions easily with your mouse. 12. Choose how many cards you would like to generate and set the number of winning cards. The generation will be done on the fly. 13. Cards are generated using a randomization technique to make sure no one knows what card is being generated for him. 14. Set the time period between scratch processes. For example, you can set it as one scratch participation per day. No one can participate more than once a day. 15. Display a message to winners/losers and redirect winners/losers to any URL you like! 16. Set a specific number of cards for each participant. You specify the number of times people can participate and scratch for a chance to win. 17. Create scratch cards for all your site visitors without requiring signing up, or request from people who wish to participate to subscribe/sign up. 18. Participants can scratch online or download the cards as zip files to scratch them later. 19. Scratch cards can be displayed on any browser, because they are Flash! 20. Check how many cards have been scratched. Check winners and what they won. 21. Participation that requires subscriptions enable you to know the emails of winners and to email them. 22. Upload up to 20 images in bulk to each image category: background images, scratch images, win images, lose images. 23. Generate a list of participants. Edit/delete participants.
