Membership Mastery How would you like to start your own online membership? If you answered yes to that question, but you dont know the technical end then this letter is a must read... Theres no doubt that Membership sites are profitable and that you can start a successful one, but where do you start? On the Internet and in the world around you, members only clubs are sprouting everywhere, whether paid or free. This is because Membership sites generally provide access to something that is unique from other sites. They also build communities of people alike. In fact most people want to improve themselves, improve their business... you get the point. So theyre willing to join membership sites that help them do that. If you dont have a membership site already, its about time you start one. It doesnt need to be difficult at all. Starting a membership site starts with a topic that you are passionate about. You cant just go out and make a site without planning ahead. Whats really stopping you from moving forward? The Roadblock: Its often the case that you get excited about making a membership site surrounding a topic you know very well. But then you stop because even when you have the topic planned out, you dont know where to start on the technical end. So your whole plan sits and begins to collect dust. See...it doesnt have to be that. In fact, you may as well kick that roadblock out of the way because heres your solution... Introducing a video series... How to Create a Membership Site from Scratch You will gain access to in-depth videos on Membership Creation that show you the How to do it step by step. So the videos dont just cover the surface level, they go deeper than that. In this video series, you will continue where you left off. Youll be taken step by step to learn how to setup a membership site from the eyes of a membership owner. Youll know how to plan ahead so you can save time and money in the long run, and so much much. Here is what youll gain access to: 1) What you need to know and what tools you need before you get started. Before you get started, its important to know what youre expecting first and what tools you will need to have before you started. Youll also learn shortcuts that will allow you to save time in the future. 2) How to plan your membership site out. Not having a plan in hand to organize your site and your goals will rip your membership site apart. In this video, youll learn how to plan ahead and how to organize your membership site so that you make the experience for your members a good one. Youll also learn how you brainstorm

and take your membership topic and turn it into an actual site. 3) How to setup and organize your download and welcome page. Knowing how to setup download pages or pages in general from scratch is very important. We will presume that you have no prior HTML or web development knowledge so that even if you are a newbie, then this video would be for you. Youll learn not only the best way to organize your website, but to make them upload ready, which allows you to save time when you upload your files to your web host. 4) How to setup a Wordpress blog Setting up a blog is going to be optional for your membership site, but believe me, you want to create some sort of interaction between you and your members or your members and other members. In this video, you will learn how to create a Wordpress blog from scratch, step by step of the way. 5) How to setup a Small Machines Forum Setting a forum allows your members to interact with each more frequently. In doing so, it also allows you to organize the answered questions easier than a blog sometimes. In this video, you will learn how to setup a nice looking forum quickly from scratch as well. 6) How to Install the Amember pro membership script In this video, you will learn how to setup the membership script from scratch. This is where it gets technical, and sometime it can be a big roadblock for some of you. Well it doesnt have to be so the video will go step by step through this process of installation, showing you quick and easy ways to set it up. 7) How to Create products and protect your files with the script Creating products within your membership script settings is important. Youll learn how to do just that using the Amember pro script. Not only that, youll learn how to protect yourself from thieves that try to get into your membership site. Keep thieves out so you can keep your paid members in. 8) Testing your membership site to make sure it works Testing your membership site when its completed is always important. You wouldnt want a malfunctioning membership site on your hands especially when your customers are trying to hand you cash right? Then you lose money and you leave money on the table. Youll learn how you can do just that in this video. Now you can finally accomplish what you dreamed of starting... Need I say more? Grab this Membership Site Creation Video course today and you can download it immediately after your purchase. No banging your head waiting in lines and even if it is 3am in the morning, youll have instant access to starting your membership site no time
