Forum Submitter Pro will cut the time it takes to post to your favorite forums. All you need to do is decide on your message, choose which forums and sections you wish to post it to and whether you want an instant notification of any replies by e-mail and then pushed the button. Forum Submitter Pro will take it from there. Adding a new forum is simple, just give it a name enter the web address and Forum Submitter Pro will let you know if the forum at the target address is compatible, you can then save it for future use or include it in a current campaign. Here are a few key features of what Forum Submitter Pro brings to your internet marketing strategies: # Post to multiple forums through one interface saving time and effort. # Get your message across quickly; just one click and you're done. # Track your responses to forum posts in an easy way. # Customize the application to fit your needs more closely. # An EASY-TO-USE message editor. # An option to SAVE MESSAGES to be posted later. # Quick post option with the help of AUTO INSERT. # The facility to add FAVORITE FORUMS for ease of accessibility. # Choose your preferred format at the click of a DROPDOWN LIST button. # Create CUSTOM MESSAGE TEMPLATES. # Assistance with TRACKING POSTS and responding on time. # Built-in web browser, to easily locate your favorite forums! Auto submitter programs are sloppy! They don't detect the many different formatting designs for submitting messages with links that different forums may have. Besides, spamming forums gets you deleted and or banned and therefore your posts never get read! With "Forum Submitter Pro", you can easily decide which forums to post to and which categories to post in. This way you are always posting in the correct category. Think of "Forum Submitter Pro" as a quick clipboard with tons of options! Ultimately, Making Forum Submitter Pro work for you is as easy as 1-2-3! Get "Forum Submitter Professional" Today!
