

Auto Sales Page Maker

[DOWNLOAD HERE](#)

Automatic Testimonial Building! - Just copy and paste a testimonial into the testimonials box. Click 'Save' and SP Rapid Fire automatically inserts the testimonial for you. No more wasting time creating tables and formatting them! Easy Feature-Add Option - Instead of one window where you type in all of your benefits, SP Rapid Fire lets you list and name options one at a time. SP Rapid Fire then takes the features and formats the text and list automatically! Easy Ezine Sign-Up Web Form Integration - With SP Rapid Fire, it's as easy as copying and pasting the web form html code into one of the software's designated windows and going on to the next step! No Need To Manually Insert Your Paypal Button Code! - Just copy and paste your Paypal button (html) code into the window we have set up for it and go on to the next step! It's really as easy as that! Extended Font and Color Capabilities - Unlike other software out there, while you're creating your sales page within SP Rapid Fire, you can easily modify your fonts and color. A BIG PLUS! Makes Pumping Out Sales Pages After Sales Pages Easy! - Most people burn out after creating one sales page manually. With SP Rapid Fire, you won't burn out so quickly since the software handles just about everything! No Smarttags Or Bulky HTML! - SP Rapid Fire does not add ten tons of gunk to your html code. For this reason, your sales page size will be smaller and your page will load up quicker than if you used certain popular html editors. User Guide Included! - Although we consider SP Rapid Fire to be extremely easy to use, we've put together a user guide to help you along and to explain what's what. This, of course, comes with the software. Tags: creation, web
