Easily Build Unlimited Auto-Updating Niche Video Clip Websites Using YouTube Videos Now you can build an unlimited number of money making, auto-updating hot niche video sites. One of the easiest ways to create online success is to catch the leading edge of hot trends. Online Video websites are THE hottest growing trend, and will only get more popular. Video websites are the most visited websites on the planet, because people love viewing video clips. Think about it, if you're like most people, the last time you visited a video site (like YouTube) you probably spent several minutes, to hours looking at videos - watching short video clips is fun and addictive! Now you can create an unlimited number of fun and addictive video websites, that people love to visit...with the click of a button! You can easily create video websites, related to unlimited niche topics! I'll even show you how to make the most out of your video sites, how to get your site listed in Google in about 24 hours, and how to use Web 2.0 techniques to build traffic to your sites. The script is very easy to install, and takes no work to maintain. Just install it and let it go! No MySQL database required Auto update content from Youtube website Use Youtube new GData API, no need to get Youtube developer key Include User profile section, uploaded videos, favorite videos, and user playlist Search for Videos by name, tags or author Search engine friendly URLs Create multiple pages based on additional keywords Fast and low resource, using CURL (optional) and cache files Built in automatic bad word filter Powerful templates based on the Smarty Template engine Easy to use configuration screen User Configurable: Main Video Keyword Order of Videos (Relevance, Rating, Updated time, or Number of times viewed) Number of Videos per page AdSense ID Link in each pages footer Link text, for link in each pages footer VideoClipWebsites affiliate link Additional video site keywords (Creates additional video pages, and menu links to additional video pages) Never before has it been so easy to build money making video clip websites using YouTube videos.
