Not only does it totally format your sales letter for you just as the sales letter here is formatted it also builds your sales page website for you! Who would have ever thought getting your product online would be this easy! I used to stay up until the wee hours of the morning banging away on my keyboard trying to write my own sales letters. I'll tell you even when I would get close to making it sound decent I would have a problem with creating a table, or when I went to make my headline BOLD the next thing you know the whole darn sales letter was bold!.....
