"REVEALED! The Incredible Secrets Of A Rebel Australian Copywriter Who Turns 'Do-Nothing' Ads Into Money-Making Machines In Less Than 30 Minutes!" Brett McFall -- Australia's #1 Copywriter Of Over 7,800 Ads & Sales Letters invites you to take a front row seat as he coaches REAL business owners to take THEIR OWN basic, boring, no-response ads ... (the kind you may have used in the past or may even be using right now) ... and turn them into million-dollar blockbusters in under half an hour! Dear Internet Friend, If you've ever wondered how to turn your marketing into a money-sucking machine, then this is most important message you will ever read. Here's why... When was the last time you actually saw a so-called "marketing genius" in action? When have you seen someone truly solve marketing problems on the spot? Think about it: How many "gurus" have you witnessed actually doing their job as a consultant? Unmasked! The secret process used by the world's best copywriters to turn any ad into a goldmine! The truth is ... virtually NO marketing consultant ever lets you see them in action. They hide behind their polished presentations and tightly edited books and courses ... and expect you to take their word for it that THEY are "geniuses at work". Well, how valuable would it be to see how the brain of a true marketing genius works? How important would it be to your business ... and to your results ... if you were to see how a brilliant marketing mind takes common problems and solves them in a matter of moments? If you did, wouldn't it make it so much easier to handle your own lack of customers? If you saw how a professional went about solving marketing problems (and I mean, if you were to see EXACTLY how he put his mind to use ... how he comes up with killer offers ... how he writes money-sucking headlines ... how he makes simple changes to ads in order to double or triple response - and so much more) - wouldn't that give you an incredible learning experience? Well let me ask you something else: Have you ever run an ad that absolutely bombed? Ever mailed a promotion that got little or no response? Ever wondered how other marketers get people flocking to their websites in droves? And ... how much money have you wasted on "trial and error" in the past, just trying to find out? Thousands of dollars? Tens of thousands? To be honest, you could be sending yourself broke by NOT knowing the simple little secrets that expert marketers know. Experts like Brett McFall. He's known as "The 30-Minute Marketing Genius." Often

bringing in results like: "\$142,263 in just 10 days" "\$28,600 in 9 days" "\$289,500 in just 3 weeks" "\$3,105 a week for just \$600 spent on advertising" "\$1,477 a week from just \$55 spent on advertising" These are results which very few business people know how to achieve. BUT ONE THING'S FOR SURE: It's not your fault. You've just never been taught how. But what if you were given an exclusive insight into how Brett McFall achieves these amazing profits? How much would it be worth to you to discover how you can apply his stunningly unconventional strategies to YOUR business for mega profits ... in a way that's never been used before? What if you could get his amazing techniques that people pay him thousands of dollars for, but get them at an absolute bargain rate? Is this what you've been hoping for? To put it simply ... it could literally revolutionize your business, couldn't it? The greatest way to learn is to discover how the BEST of the BEST do it. Because then, you can just apply their master strategies to your own business, right? Simply plug in the system and off you go. Trouble is, to get that sort of one-on-one help from a marketing genius would normally set you back thousands of dollars. Until now, that is. Introducing The Easy Way To Say Goodbye To Your Money Problems Forever At World Record Pace ... By Discovering ... "The 30-Minute Marketing Miracle" How To Turn Your Ordinary, Poor-Response Ads ... Into Killer Money-Making Machines ... In Just 30 Minutes An amazing opportunity! Sit there stunned as you go behind the scenes with one of the world's best copywriters, and see how his mind solves the marketing problems that stump people like you and me ... and how he does it in just 30 minutes! Ever seen those life-style shows that tell you how to build a shed ... paint your house ... or buy a property? In a similar way, Brett lets you see how he helps business owners turn their 'loser ads' into piles of cash - in just half an hour! You'll actually listen-in as Brett McFall takes what REAL business owners have produced for their marketing, and see him analyze it ... re-strategize it ... fine tune it and make-it-over ... on the spot. To be quite honest - he tears the ads apart. But the funny thing is ... the business owners he's talking to LOVE EVERY MINUTE OF IT! This is LIVE - no editing ... no polishing -- just real down-and-dirty LIVE coaching sessions. What's more - you actually get to see the ad that Brett is talking about (while you hear EXACTLY how to turn it into a smash hit!). You'll have the ad right in front of you. You'd have to agree that this is the sort of powerhouse lesson that every business owner would give their eye-teeth for. That's because, you and I both know, that this sort of privileged information could literally make you hundreds of thousands of dollars. It's one thing to learn from looking at a 'good ad' - but to see a very 'ordinary' ad and discover EXACTLY how to turn it into a blockbuster ... well that's a lesson which truly gives you the

'goose that lays the golden egg'. (And by the way ... switched-on entrepreneurs regularly pay Brett \$1,500 per half hour for the privilege of having their own powerhouse private session - well worth it when you realize that he reveals how to instantly make tens of thousands of dollars in extra sales!) Let me paint you a picture ... This experience is like taking an exam in school where you're wondering what the hell the answers are (that is, you're wondering how to sell more of your product or service). EXCEPT imagine you're sitting next to the smartest guy in the class and he's showing you ALL the answers! In fact, it's unfair to your competition to have this marketing genius reveal the secrets he uses to create million dollar ads! You get the inside advantage normally reserved only for the rich who can afford the one-on-one help! To put it simply, it's like having: David Beckham teaching you how to bend the ball into the net ... Tiger Woods showing you how to add another 30 to 40 yards onto your drive ... Michael Schumacher revealing how to wipe seconds off your race speed - -- EXCEPT the killer secrets you're getting are all about making your ads pull MEGA response ... and MAXIMUM money - using low cost ... and sometimes no-cost ... methods! Wouldn't you love to know how a master marketer's brain works? You'll see exactly how in... Power Coaching Session #1 - "How To Create A Simply Irresistible Offer" You'll meet Elizabeth Moss, who runs a company which retails hygiene products for gyms, hotels, companies and more. Products which clean the air and add fragrance. Now, what Elizabeth's company does is NOT important. What IS important however, is how Brett revolutionizes her marketing in just 30 minutes. And the best part is, from these insights you'll instantly see how you can apply what he reveals ... to YOUR business. You know, you can listen to marketing theory all week long. But the penny never finally drops until you see that theory IN ACTION. Don't you agree? Real, LIVE examples are what make everything crystal clear. Well, here's what you'll discover in this amazing session: The simple change of approach needed in Elizabeth's advert in order to put her sales into overdrive (once you discover this straightforward strategy, you'll be able to apply it to your business too and make a 'killing') SUSPECT NO-ONE'S READING YOUR ADS? Brett reveals what prospects REALLY hate to read ... and what they can't get enough of (this one master revelation could totally revolutionize your marketing and glue your prospects onto any ad you run in the future) A "killer" introduction to a sales letter which you can use as a template to get prospects licking their chops in excitement over your product or service! The truth behind getting people to take you up on your offer ... like it was the last toy in the store on Christmas Eve! The astonishingly simple process for working out which headlines are going to make you the most money (a change in headline can

increase your response by up to 1700! - and so Brett reveals the easy process you can use to find your winner) 4 hot headline examples straight from Brett McFall (and yes, you can model these suckers for your own greedy gain too!) How to educate your prospects to your amazing value (and have them LOVE every second of it - wouldn't that be nice?) A knockout "marketing approach" to get your phone ringing off the hook (and why this sneaky little secret works any where any how) How to get your own customers to help you sell even more of your product or service (at no cost to you!) Here's something you should be aware of: This amazing fly-on-the-wall coaching session is an insight that no copywriter has ever allowed before - that's because coaching sessions like this reveal too many trade secrets (NOT ONLY THAT -- but few copywriters can actually walk their talk like Brett does. Sure, anyone can 'wing it' when they can write it down ... edit it ... and polish it up - but put most copywriters on the spot and they flounder like a sail boat in a god-awful storm). That's not the case here. You'll not only get to hear Brett's money-making strategies revealed, but you'll also have the actual ad he's talking about right there in front of you. So you can follow along as you listen. And once you see the points he makes, a host of money-making ideas are bound to explode in your head (and truly, isn't that the greatest gift of all? The more you listen - the more ideas you'll get!). Being able to listen in like a spy at a top-secret meeting, is the equivalent of a university education in making money! You get a massive data-dump in one fell-swoop. What an incredible way to learn! You're getting it from the top - the kind of information normally reserved for private, \$1500 consultations (Brett's words of wisdom are pure money in the bank) But of course, that's not the only marketing advice you get in this groundbreaking package. Because you also get to sit in on ... Power Coaching Session #2 - "The Art Of Knowing WHEN To Tell People What You Sell" You'll meet Brett Purser and see the actual direct mail letter that he was about to start sending out. However, don't settle back yet, because you also get a 3rd kick-ass coaching session... Power Coaching Session #3 - "How To Quickly And Easily Turn A Massive Failure Into A Huge Success" Here, you'll meet Jan Denford. A courageous housewife who created her own amazing product - "The Podlett" - she makes it herself ... sells it herself ... and also markets it herself. REVEALED! How to boost your response by not allowing your prospect to talk to you! (Incredible, but true!) The key to getting people to read your ad as if their life depended on it The amazing twist you can use to make your offer ... ANY offer ... simply and unarguably IRRESISTIBLE! (it can send your sales through the roof - yet it won't cost you a cent!) How to get as many testimonials as you'll ever need - even when your customers don't know what to say (including the powerful formula Brett uses to create testimonials that make prospects salivate uncontrollably and desperate to own your product or service!) The most powerful marketing tool you can EVER use ... for just cents in the dollar (yet few people realize what a goldmine it is - literally worth millions of dollars to many of Brett's clients) Who you must NEVER listen to when it comes to marketing and advertising unless you want to go broke FAST (this is the stuff no-one else has the guts to say - but Brett says it as plain as day) And so much more!
