

Events Locator Script

[DOWNLOAD HERE](#)

The events Locator Script allows people to browse events in their local communities or across the US. The sale listings are detailed with sale descriptions, fees, and address. Anyone having an upcoming event can also list their sale for free with upgraded options for a fee. After a poster has registered, he/she is able to select and buy different listing options such as bold, bold highlight, and featured. Payment can be done via PayPal and registration is automated. Siteadmin panel: 1. Admin can edit/delete listings 2. Admin can add/edit/delete/approve listings 3. Mailing list manager - send emails 4. Manage the site settings - paypal email, Contact email, add/edit/delete different prices and add the text for almost every page on the site without any knowledge of site editing! 5. Add/edit/delete banners This Package comes with 8 AMAZING Templates you can use with your Script! It also comes with a special software that you can use to edit your scripts with just a click of a button!
