Can The Roller Coaster Pricing Script Make You Money? A new system called the Roller Coaster Pricing Script, was recently released and claims that it will increase your sales conversions and pump money in your bank account. How? Well, thats what you will learn on this page. What Is The Roller Coaster Pricing Script? How the Roller Coaster Pricing System works... The Roller Coaster Pricing Script is a new system that can let your customers literally CHOOSE the price they pay! Yep... customers come to your website to learn about your product or service. If they dont like the price they see, all they have to do is refresh their browser until they get a better price. Dont worry, you set the price behind the scenes. Sounds simple, and it is... your customers actually have fun trying to get the lowest price, and when they do, theyre more likely to buy - which means more money in your pocket. To be honest... explaining it doesnt do it any justice - you really have to try it out, to see what it does. See how fun the Roller Coaster Pricing Script can be for yourself. You can try it out here. Just dont say I didnt warn you about how addictive it can be trying to get the lowest price... Tags: roller coaster pricing system
