buy me now button below. Skip that long and boring learning curve of building profitable webSites! A typical scenario. Are you faced with these questions everyday? How do you decide what to do next? What can be the perfect internet marketing tool for you? Assuming that 90 of books bought were never been read, how can the reader gain his knowledge on internet marketing? It took me six month to learn how to build my first webSite. It took me another 18 to make a substantial living from the net. Lucky? No I dont think so. So how can you shorten this, you may ask? Easy. Think of Site Wizard Pro as the software that will guide you through and present you with all the important tools for successful internet marketing. Site Wizard Pro is designed for ease of use without any HTML knowledge. .. Select a niche keyword from the promote section, fill into the blanks. And all the meta tags for your template pages are automatically created. Just select the template for the webSite that you would like to design. Enter your colour preferences and click preview. VOILA! your webSite is done! Need some editing? Just go back to the specific question and edit it as you wish and click and thats it your webSite has been updated. Submit your webSite to the search engines and build the link directory for better search engine positioning easily. Want to have even better and faster profitable results? You can choose the manual method where you have to go through all the trouble to find only a single qualified JV partener or just skip that by using the JV finder tool to find the top 5 of affiliates who will help sell your products faster then you can say... huh? Just key in a search term or a URL, get a cuppa of coffee and all the information including phone numbers and even addresses, ready. (This software alone is selling at \$197 for a single usage license.)
