All of these also may NOT work for you. The good news is that you no longer have pay for traffic, spend hundreds of hours trying to manipulate the search engines OR hire any employees. This letter is going to reveal all of these secrets to you so that you too can cash in on the free traffic craze thats come with Web 2.0 technology... For the full scoop read on... Digg It Yourself Leveraging Web 2.0 Marketing Tactics For Extreme Traffic, Increased Subscribers & More Sales! From: Your Name Here Tuesday 11:06 AM Dear Friend, Have you been wrestling with traffic generation for your business or your website? Are you considering starting a business but when you weigh the options as far as generating traffic, do you get discouraged? Dont worry, whatever your situation, youre not alone. There are tens of thousands of people just like you that are worried about traffic as well and its a growing problem. Traffic can be very expensive if you decide to pay for it and it may not even yield a profit which is a horrible thing to have happen. Sadly, the truth about paid traffic such as pay per click advertising is that most people actually do lose money. Thats a pretty disheartening fact considering that you just shelled out cash for good advertising but you really do need skills like copywriting experience to make advertising work. The good news is that theres a solution to this and its much more affordable... In Fact... You Can Hoard All The Traffic That Your Website Can Handle Without Spending A Spinning Penny On Advertising! Im sure that youre probably feeling two emotions when reading the above statement... 1) Excitement because you could sure use a ton of visitors to your website that you can offer products and services to. 2) Skepticism because you have seen a lot of scams out there and you dont want to put your effort into something that wont work long term. These are both healthy things to be feeling right now. After all, if this is true, your

traffic problems could be gone forever. Well, I'm here to tell you that it absolutely is true and I'm going to prove it to you. How? This whole system revolves around Digg style marketing.
