These graphics are already pre-made and pre-formatted, and are already in a "web ready" format. So it literally takes just a few minutes to stick them into your website. AND they're really high quality and polished, so you WILL actually want to use them on your sites. The quality of these graphics is what makes this package different from most other similar packages out there. So even if you already have a graphics library, this will make a great addition. Another thing that makes this package special is that all graphics come in either Transparent PNG format or Animated GIF format. Transparent PNG means that you can use the graphics element on any color background, not just white, and it will still look nice. So this gives you great flexibility with your color schemes. Animated GIF means that these are simple animations on some of these graphics, to make them stand out further. When used sparingly these simple animated graphics make a big impact, and make certain areas of a site (like the call to action button) really POP, and increase conversions. Here is a closer look at all of these graphics, giving you a break down of everything you get, along with full size samples: * 84 Checkmarks and Bullets (in Transparent PNG). The checkmarks come in 2 styles ("checkmark" and "x mark") and in 6 colors and 6 sizes. The bullets come in 2 styles x 1 size x 6 colors. * 144 "Call To Action" buttons (in Transparent PNG). The buttons come with 8 phrases x 6 colors x 3 sizes. The phrases are: "Add To Cart, Continue, Get It Now, Join Now, Order Now, Register Now, Sign Up Now, Subscribe Now". * 144 "Call To Action" buttons (in Animated GIF). These are the same buttons as the

PNG ones above, and come with the same phrases, colors and sizes. What makes them different is that they're Animated GIF files, that have a slight animation effect to make them stand out more. * 18 Guarantee signs (in Transparent PNG). There are 6 different colors and 3 different sizes. * 6 Guarantee signs in animated GIF. Same as above, but they come in Animated GIF format. * 468 Letters (in Transparent PNG). You can use these as drop caps on your sales pages, you can spell things out with them, etc.. * 162 Numbers (in Transparent PNG). Go from 0 to 9. The 4 directions are: up, down, left and right. * 126 Attention Headlines (in Transparent PNG). In 7 phrases ("The Bonuses, The Modules, Yours Free, Limited Time Offer, What You Get.
