Craigslist Classifieds Clone Script V4.97 "Start Your Own Site Like Craigslist Classifieds" Run your own distinct classifieds site that has made Craigslist grow at an annual rate of \$10 million with it's unique classified script. This clone script is a powerful, feature rich, easy to use, classified ads solution. Run your very own classifieds sites just like Craigslist, Loquo or GumTree. With our quick an hassle-free online installation, you can get your classifieds site up and running within minutes! Q. Why this classified clone script? A. As a site owner, you must be asking why you should be choosing our PHP classifieds software over the hundreds of classified scripts that already exist in market? The main reason is in fact very simple and straight forward, It has developed the software with the minds of the customers satisfaction. If you are looking not only to setup a classifieds site BUT at the same time, generating a steady stream of revenues, then you have come to the right place! Sites like Craigslist and Loquo dominated the classifieds market mainly because of its straight-forward and user-friendly interface that makes posting and reading of classified ads easy and enjoyable. This is precisely why such classifieds websites are so popular amongst the online users as compared to the generic solutions offered by our competitors. This is a nulled php script. php Script Designed For Windows And Mac This product comes with full master resale rights. Tags: php
