At Last! Your Own Readymade Automated Secure Clickbank Sales Website To Sell Your Own E-Book Or ANY Digital Download Product! If you've got your own digital product to sell and you want customers to purchase it online securely by credit card, then you will NEED a secure and automated sales website to sell it on! Clickbank Sales Page, created by webpreneur Mikey J, is a secure and automated sales platform for your eBook, web script or digital product. It's a complete Minisite, giving you a sales page, secure payment processing via Clickbank and provides your customer with INSTANT ACCESS to their download straight after purchase! Clickbank Sales Page gives you everything you need to sell your product successfully on the internet! And, as it's 100 AUTOMATED, you don't have to do anything apart from watch all the cash roll in! No database required! Check Out These Amazing Features... 100 Secure Automated Digital Delivery As soon as the customer purchases your digital product, they are given INSTANT ACCESS to their download! After payment, the script generates a virtual download page for your customer, using a CGI script. This means that no-one can steal your product without paying. The script also displays an access denied page if someone tries to bypass the payment process. Secure Payment Processing via Clickbank The script uses Clickbank for secure payment processing, where your customer can purchase by credit card or PayPal. You need to join Clickbank as a seller, but the PDF installation manual that comes with this script tells you how to do this. Easy Plug-In Sales Page Simply edit the provided sales page with your own text and images or, if you already have your OWN ready-made html sales page, you can simply PLUG IT IN to the script. What could be more simple? Affiliate Sign-Up Feature This script has a built in affiliate signup link, so affiliates are able to refer customers to you. Automated Email Notification As soon as a sale is made, this script sends an email receipt to your customer. The script also sends you an email, notifying you of the sale and the details of your customer, including name and email address, which you could then add to your mailing list Easy Clickbank Tutorial The PDF installation manual that comes with the website ALSO contains an easy to understand Clickbank Tutorial that teaches you how to sign up to Clickbank, set up your Clickbank account and add your digital product. Full Installation Instructions The website comes complete with an

easy to understand, step-by-step PDF installation manual. WEB HOSTING REQUIREMENTS! You will need Linux/Unix web hosting with PHP 4 or 5. Your web server must have Perl, CGI and use Sendmail as its mail function. (most web hosts have this) A web server with a CPanel Control Panel, PHPMyAdmin and My SQL database is RECOMMENDED. If you HAVEN'T got a domain name or web hosting, you will find links to recommended domain and web hosting companies in the PDF installation manual that comes with the website.
