Renegade Joint Venture Broker Reveals How To Shovel Hordes Of Traffic To Your Sites--Even If You Have NO List And Dont Have a CENT To Spend On Advertising!!! Read On To Discover Willie Crawfords Renegade Secrets To Setting Up HUGE Joint Venture Deals Thatll Pad Your Bank Account For YEARS To Come!!! Sunday, August 31, 2008 From: (insert name) Re: Joint Venture Secrets Dear Internet Marketing Superstar, If youre sick and tired of shelling out hundreds to thousands of dollars in advertising costs, then this message will give you the answers youre looking for Because Im going to tell you about how you can get FREE traffic to your siteseven if you dont have a list of costumers or dont spend a single cent on advertising. You see, this method is called getting joint ventures. This involves getting other people to promote your product for a percentage of a cut. This is clearly the MOST POWERFUL mechanism for making big money right out of the gate. Russell Brunson uses it. Mike Filsaime uses it. Essentially, the entire whos who of the internet marketing fraternity make it big online thanks to the power of joint ventures. Despite the effectiveness of this powerful strategy: Most People Are Clueless And Downright WRONG About How To Set Up Joint Venture Deals!!! Most of the time, its like the blind leading the blind. People get on internet marketing forums and like to hear themselves talk. Theyll tell other people how to joint venture with Guru X when they havent a CLUE how to do it themselves! Further, people are absolutely stupefied about how to build relationships with people. Most of the time, its like Tony Soprano asking for a joint venture: Do it or Im going to throw you out the window! Thankfully, theres one person who rises above the rest. Hes highly regarded in the internet marketing industry as the go to guy when it comes to joint venture brokering. His name is Willie Crawford. You might have heard of him on various internet marketing forums. But if you havent let me give you the quick scoop: Willie is an absolute expert at matching people with dynamite products to responsive lists. He knows all the ins and outs of what it takes to land the biggest fish for joint ventures. Hes been on the internet since 1996 and has done millions of dollars in joint venture deals. Hes made endless clients drop-dead rich thanks to his joint venture marketing savvy and hes kept his secrets under wraps until NOW! Internet Marketing guru Russell Brunson was able to corner Willie for a one-hour no-holds-barred interview where he revealed the

specific-gritty details of what it takes to make it big online with HUGE joint venture deals: Youll get it all when you invest in: Confessions Of A Renegade Joint-Venture Broker Superstar Marketer Willie Crawford Reveals How To Get FREE Traffic To Your SiteEven If You Have NO List Or Money! This one-hour audio goes through the critical steps you need to take to create huge joint venture deals so you can get OTHER people to sell your product for you! You wont find this information in ANY textbook. And the stuck-up professors residing in the Ivory Tower of todays universities are absolutely CLUELESS about these strategies. Believe me, this is player material! Pure and simple. Willie Crawford revealed TONS of tips on how to build relationships with other marketers, the secret to approaching people in seminars, and how to structure your joint-venture deal. In fact, Im going to go out on a limb and say these strategies are mandatory to your internet marketing business. The marketers who are lone rangers are the ones who get left behind in the internet marketing race! Here Are Some Of The Joint-Venture Secrets Youll Discover In This Exclusive Audio! The secret to using leverage to develop killer joint ventures (This is something most newbie marketers dont realize that could catapult your chances of making HUGE money with joint-ventures!) How Russells Dad made over \$6000 in a single month as a joint-venture broker the BEST way to get into internet marketing if you have NO experience! The secret to pitting other marketers against each other when promoting a product (youd be surprised at how competitive some marketers areand how it can make your wallet fatter!) The 3 levels you need to classify potential joint-venture broker partners (This is something almost ALL JV searchers fail to do!) Why the big guy with the big list wont necessarily make you the most money (It depends on this one BIG DARN factor!) How to develop killer relationships with potential marketers (Relationships are the #1 Key to making a huge joint-venture deal!) Should you set up a legal agreement with a joint-venture partner? Heres the TRUTH about whether or not you need to draw up an agreement (HINT: it depends on who your JVing with!) How to find people to sell your products (most look in the WRONG places and come up dead-empty!!!) The one type of direct mail to send potential JV partners thatll get his/her attention. (The days of sending a plain-ol envelope are OVER!) How to eliminate the hassles of what affiliate domain you want the person promoting your product to use. (It only takes eight bucks!) What to look for in a product to promote (Believe it or not, there are a lot of CRAPPY productsthe key is separating the wheat from the chaff!) How to reach 90 of the marketplace most promoters will overlook (Russell and Willie use this strategy ALL the time when a huge product launch takes place!) How many emails your JV partner should send out (Willie tested this over

and over againover 90 of your sales will come from this many emails!) The statistics you need to present to your potential JV partner (Willie wont TOUCH a product if he doesnt have this vital stats!) ..and a WHOLE LOT MORE!!! So, How Much Are Willies Joint Venture Secrets Worth To You? Listen, if you wanted to get people to promote your productgood luck if you dont have a PROVEN blueprint. Im serious. Most people go to seminar and try to strike up joint venture deals and come home empty-handed. Or they send out an expensive direct mail campaign and realized they just flushed their advertising dollars down the toilet. Willie Crawford knows his stuff. Pure and simple. Hes set up millions of dollars of joint venture deals and knows how to walk the walk. So you figured just one successful joint venture deal can net you a cool \$1000 or so if youre selling a \$27 ebook. Or you could end up with over \$10,000 if you set up a JV deal for a \$497 product. With that in mind, information that gives you the insider secrets for striking up killer JV deals should be worth at least \$97considering you can literally make multiples times your investment back with an ensuing JV deal. But Im going to give you a break. Why? Because Im going to offer Confessions Of A Joint-Venture Broker for an unbelievably low price of \$27 for a limited time. Listen, you can go into a Barnes and Noble or a Borders bookstore and blow \$27 on a cheesy business book thats full of theory from some Harvard professorsomething thats NOT going to make you money anytime soon. Why not spend that \$27 on actionable steps for getting fantastic joint venture deals as soon as tomorrow. Theres NO B.S. herethis is stuff you can implement in your business as soon as you listen to the audio! But thats not all: Here Are The Bonuses Im Throwing In Since Youre An Action Taker: Listen: if youre a true internet marketer and youve read this far, you understand the value of what youre getting here. If you dont, then this product isnt for you. So to reward you--the savvy Action Taker, Im throwing in the following bonuses: (insert bonuses here?) So Now Your Have Two Crucial Choices To Make: You can either keep banging your head against the wall trying to summon traffic to your site via Google Adwords, banner ads, and internet forums. Or you can get the inside scoop on how to get killer joint venture deals so you can get instant trafficeven if you dont have a list! The Choice Is Yours! (insert order form) What will you do with the extra \$1000, \$12,242, even \$123,432 or MORE when you land your first successful joint-venture deal using Willie Crawfords secrets?
