VIP Website Builder Website Creation Made Easy! VIP Website Builder is a user-friendly solution that makes creating and managing websites easy, fun and fast. You could easily create and manage: Your own personal website Your own company's website Your own product(s) website(s) Affiliate websites to promote affiliate products AdSense websites to monetize via Google AdSense Websites for others (like beginners). You could even charge them a fee. Any kind of website you like! VIP Website Builder Overcomes The Greatest Challenge Newbies & Beginners Face! VIP Website Builder overcomes the greatest challenge that newbies and beginners face when starting out on the web. You know what that is? Remaining at the mercy of others; web designers. Even if they need to change font colour of a single word in a web page, they need to ask the web designer to do that! Not any more. VIP Website Builder gives you FULL control over your websites' creation management. In short, VIP Website Builder is website creation and management made easy! Zero knowledge of HTML/CSS or any other technical skills required. Ready-made templates with themes. Over 30 themes available. Format your added texts with Advanced Formatting menus. Directly Copy and Paste content in your project. Easily add downloadable files, hyperlinks, images, tables, media files, flash with simple steps. Example: Want to add Flash to your web page? No need to add object tag and complex stuff as is required by other HTML editors and site creators. Just select the Flash file and click OKAY! VIP Website Builder is that easy to use! Add background music or media files to any web page with one click! Change website look by selecting template themes with different images and colour combination. Changing from one theme to another would not affect your added content. Preview Tab whereby you can check your website as you're creating it. Built-in Spell Checker. It would be professional to write a sentence like this: "How would you like to make a lot of money!" Add your company/website logo with slogan text with one click. Add your copyright message with one click. Multiple web project

creation. Create child links for any menu. Add Edit or Delete any menu with tree view. Example: You create a web page "About Us". In that page you need to add a link to a new web page. Go to 'Tree View', right-click on "About Us" and click "New Page". That's it! Now you have a new page that "About Us" links to :) You can add one or more web pages. As many as you like, and have them all linking to whatever you want with the click of a button. Different Child menu for main menu or any child menu. Easy Search-n-Find Capability. Search for anything in a web page, click "Highlight All" and it'll get highlighted throughout the page. This is particularly useful when you have a lot of text on the page.
