Create a Classifieds Website!! Classifieds are an age old tried and tested form of selling that everyone is familiar with. From getting rid of those old skis in your basement to selling your family vehicle so you can upgrade. Classifieds are an excellent revenue generator that brings sellers and buyers together. With our classifieds site, you can build revenues by offering a service that everyone can use. How it works The classifieds site is a 100% automated site that allows seller to post ads based on categories. The site comes preprogrammed with PayPal and Stormpay as payment processors using the IPN system for a truly hands free experience. Sellers create an account and pick a package to post their ads that the admin specifies, which includes choosing from standard ads to featured ads that appear on the main webpage. The career site also includes a rotating banner management system and newsletter that is easily moderated from the admin area. SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Classifieds Script and keep 100 \$\$\$ of the profits! You'll even get a copy of this sales page which you can easily customize!
