Offline Fortunes with Resale Rights Step By Step System Reveals Methods For Huge Profit From Your Knowledge Even In The Depths Of Recession Dear marketer, Do you find the online marketplace difficult to do business in? Or would you like to find another almost untapped stream of income? One which will pay top dollar for all that information sat in your head from your time as an Internet Marketer? With the entire global economy in recession, companies all over the world are desperately searching for ways to stay in business. They are screaming out for help to find new customers, to reduce their costs and to increase their profits. With more and more companies folding every single day, this information is of vital importance to them and something they will pay top dollar for. Did you realise that in your head is information is what these companies are after? Offline companies are finally waking up to the Internet revolution and realising that the Internet can help them compete on a national and even international market without having to take the risk of expanding their business. Because of this, they are looking for experts to show them how to use the Internet to the benefit of their business. But the question is, how do you step into this role and take advantage of this business opportunity? You Are An E-Commerce Consultant! The answer is this brand new video program, Offline Fortunes. This step by step program has been specially created to show you how you can profit from the offline marketing revolution. With companies near you waking up every day to the power of the Internet, they are clamouring for someone like you to come in and show them how to make money from the Internet. The trouble is, they don't know how to do this. They create a website, often paying thousands of dollars more than they need to and then realise that the Internet isn't as easy as they thought. Their site is poorly optimized, slow to load and often doesn't rank in the search engines. Web designers, whilst able to create a website, often do not understand the basics of SEO. Anyone who can walk into one of these companies and show them how to increase their profits using the Internet will have them eating out of their hand! The great thing is, the Offline Fortunes program will show you exactly how you can do this! It doesn't matter whether you are a veteran marketer or relatively new on the scene, you can easily have the skills to help these companies
