Traffic Lottery Script

[DOWNLOAD HERE](#)

Traffic Lottery Script is a Web 2.0 Play lottery and win traffic to promote your website Script. You can offer this service for FREE to your clients. And at the same time earn s by placing Ad network codes in top and bottom of the page, you can use Google Adsense or Trmslan Adsence. Other option is that you can sell Vip Urls also to gain even more money ! How does it works? Just ad your URL and the system (curl) or the admin runs the lottery Clients just need to submit there web pages url and they get a chance to win the lottery. What do clients pay? And what do they win? What clients pay is a visit to the todays winning web page. And what you win is all the traffic to your website for the day. How many time can clients submit their web page? Clients are allowed to submit only one url per day. But the Admin can customize it Are all websites permitted? No. Websites with pornography, obscene or defamatory content will be removed and banned permanently. How often does the lottery draw take place? The lottery draw takes place every night at server time12:00 AM. But Admin can customize it or make the draw himself If client win today, what are there changes to win again tomorrow? The winning web page is selected through a random algorithm. Every draw is independent of previous results.
