Attention: Simple Point And Click Tool Instantly Reveals The Search Engine Ranking Data You Need To Rise To The Top! Discover ... "How To Quickly and Easily Uncover The Search Rankings of Any Site You Want In A Flash So You Can Dominate The Results!" Effortlessly Discover Keywords That You Are Already Ranked For On Google And The Best Keywords To Target, So You Get Higher Rankings More Often! Most run their web businesses in the dark. They make decisions without all of the facts they could be easily using. Prime among these under-used information goldmines are the search engine results. By studying the search rankings, you can uncover: \* The best terms to write your content around (so you can claim prized rankings and rake-in gobs more free search engine traffic), \* What tactics your competitors are using to rise to the top of the search engines results (how are they getting links pointing to their sites?) \* Which partners in your market should you approach to promote your products (those on top, often have the most to offer). Of course, the biggest reason most people don't use this information is that sorting through all of results for the keywords in your market takes days or weeks of work. Instead, what you need is.... A Shortcut To Reveal The Search Engine Ranking's Fast! Let me introduce you to "Google Rank Analyzer." This new tool gives you the run-down for the web page rankings of any site you want based on the keywords of your choice. This data is vital for anybody that does any serious online marketing. Use it to uncover the most profitable terms for search engine optimization and partners that send you links or endorsements! Simply stated, it's your secret weapon to rapidly uncover the valuable search engine data your business needs to thrive with click-button ease! The result is more money in your pockets because you now have what you need to make smart business decisions. After all, it only takes a single top search ranking or partner to equal thousands of dollars in new sales. Here's The Full Range of Benefits You Get: Quickly and easily evaluates the level of competition for any given search term to increase your percentage of terms you get ranked for! Your content is virtually never going to be wasted because you failed to pick the right term to optimize it for. Uncovers quality link partners to send your search rankings through the roof! You're finding link partners Google already loves! Saves you time sorting results by allowing you to define how many pages deep into Google you want to search for your

rankings. You only spend your time only on the caliber of partner sites you want to deal with! Pops-out results quickly so you can get your work done without having to wait forever to get the information you need! It would take hours on end if you looked-up this information manually. Separates the final results into the keywords or search phrases used in your query, the position and exact page that appears on Google, the title and description of the page, and the URL address listed on Google. You get all of the essential data you need in a central place so your time is more productive! Gives you the complete run-down of any site you want with one fell swoop using the ability to input multiple keywords for every site you want to look-up. Google Rank Analyzer is a simple, yet powerful way to give you the results you need to make profitable decisions quickly and easily! Evaluate potential partners, affiliates, and competitors to get an inside look of what they have to bring to the table! You now know how much to offer in commissions or what you're up against when you're competing for top rankings! Plus, much more! Simply put,.. If You're In The Dark About Search Engine Rankings, You're Losing A Fortune In Lost Profits! Just think about how many times you're going to use Google Rank Analyzer in a week. Whenever you want to check-up on a partner, competitor, or your own sites, the information you need is there. As a result, you make more money because you have the data needed to make smart decisions required for your business to thrive!
