Monday 1:42 pm From: Timm Miller Dear Friend, Wouldn't it be great if you could run your very own high-dollar subscription web site? You know the ones I mean where you sign up for a subscription so you can read the really good stuff, or download new software every month with resell rights... Money just pours into those sites, doesn't it? But it costs \$1,500 or more for the script to run a site like that, right? Everyone know that's ever looked into it that it's very expensive to get started with a real membership web site of your own. NOT ANY MORE! Ive got good news theres a brand new resource available just for people who want to quickly and easily manage a subscription site without spending a fortune to do it. Yes, its true and you wont believe how simple it really is to manage a site once youve got the right tools affordable tools, I might add. It's All Possible And Inexpensive With A Hot New Script Called Membership Site Manager Sounds too good to be true? Well, it isnt if you have the right tools. Think about it. The ability to inexpensively run your own member site could make you an Internet marketing star almost overnight. One whose name I will not mention even offered my a pretty large sum of money to stop selling this script immediately! With over 3

months of my time into creating this incredible I had to decline their offer... If you take time to think it over this offer may not be around tomorrow. Okay, So How Much Am I Charging For A Tool That Can Automatically bring you a massive recurring income month after month? Well, first lets look at what it would cost you to have your member site hosted at most of the "other" member script solution sites... Those guys get, \$1,500 and up.. But Im not going to charge you anywhere near \$1,500, or even \$1,000. In fact, your total investment for Membership Site Manager is only \$2.99 (Originally Retailed for \$147.00)! Why so cheap? I have my reasons. For one thing, one of those big membership script sites told me I could never compete with them... we'll we will see about that won't we! Secondly If I sell a certain number of Membership Site Manager software cheap enough, then people will talk. Heres the thing, though: once the buzz hits, I will be in a great position to raise the price to make some profit. Look at it this way -- \$2.99 is really a painless drop in the bucket to finally be able to easily and automatically manage your membership web sites effortlessly isn't it?.
