You must include IMEI number with your Paypal payment or via eMail "Supported Models include:" HTC: G1 HTC Android (G1 mobile phone), WING, DASH, SDA, MDA, Shadow Why should I unlock my Cell Phone? When you purchase a new cell, chances are it'll be locked to the network you bought it on, and if you try to put another network's Sim card in, it will not accept it. Unlocking your cell phone enables the mobile to be used with any GSM Sim card on any network, which gives you better Promotional Deals, Lowest tariff, Freedom to roam, and it increases value of your mobile phone. "For quick processing please include your Brand, Model and network your phone is locked with, correct and accurate IMEI number DIRECTLY from your handset by pressing *#06# and copying the 16-digit number that your phone displays. Do not copy it from another phone, as your handset has an IMEI that is unique to any other mobile. "

Remote Unlocking or Unlock by IMEI # Remote unlocking has now become the most common way to unlock your Phone. This is because it is so simple and no data cables are required at all. Difficulty level? It is very easy to unlock your mobile phone using remote unlock codes. Total unlocking process is under 30 seconds. In fact this is how the mobile networks unlock handsets. After this service! After using our remote unlocking service you will be able to use your mobile phone with any other GSM network provider worldwide without any restriction, saving money on roaming charges and increasing the resale value of your cell phone! We cannot be held responsible for any damage or loss of data that may result whilst attempting to unlock your handset using any of our unlocking procedures.
