***** Instant Infopreneur by Liz Tomey Finally...Discover
How You Can Create Quality In Demand Digital Products Without Spending Thousands of Dollars and
Countless Hours... Simply by using easy to get a hold of private label rights offer, and this amazing
course you could be well on your way to your own digital empire... This video series takes you by the
hand, step by step, click by click to creating a great product that not only sells, but increases your profit by
several times more! Here is what you'll learn from "The Instant Infoprenuer" Video Course Getting
Started, Intro to Private Label Rights, and Tools you need. One the biggest problems you may run into
during product creation is you don't know where to start, you have writer's block, or idea block. Or you
don't have enough time and money. This where we will talk about how you can use Private Label Content
and turn them into unique products. As I mentioned earlier, most people will take PLR products and
stamp their name on it. This video series will reveal to you ideas that you can use to stand out of the
crowd. You'll also learn the tools you need before watching the following videos. Private Label Articles
Private Label Articles is by far the most popular type of Private Label Product out there, simply because
articles are shorter, easier to create, and more widely available. Instead of just stamping your name on a
PLR article, there many ideas that you'll learn in this video to reshaping PLR articles into different forms
that will increase your product and sell value. Private Label Ebooks Private Label Ebooks are the next
widely available type of PLR product because it is written. Since ebooks are larger, you can generally do
a lot more with them when you reshape them into different product formats. In this video you'll learn how
to do just that and much more. Once you can grasp the main concept of the ebook, you'll understand how
to easily make them unique. It doesn't matter if 1000 other people have PLR to the same ebook, you'll
learn how to stand out from the crowd. Private Label Audio Ebooks, Audio Articles In this video, we won't
be going over just the basics, you'll learn many neat out of the box ideas that most people will not even

think about that we'll talk about in this video. By using these ideas, you'll be ahead of the crowd. Private Label Videos When you get Private Label Rights to videos, most people will resell them. But what good does that do when 100's of other people are doing the same thing? It is not hard at all to rebrand videos, add audio, add and remove video clips, and more. You'll learn how to do that and you'll learn new ideas that'll allow you to think outside the box to reshape videos into other product forms. Private Label Software It doesn't matter if you have ZERO amount of knowledge on how to write software code. In this video, you'll learn how to gain access to a Private Label Source Code and take it to the next level. While others may resell it without even stamping their names on it the source code, you'll be learning how to add features and remove features w/o even touching the program. You'll learn tricks and tips to keeping your costs down when you hire programmers to change your software. You'll also learn how to keep yourself safe when you hire someone that you don't even know. You have full master resell rights to this product. You MAY resell this product and give resale rights to your customers. You MAY offer this product as a bonus to a PAID product. You MAY include this product on a PAID membership site. You CANNOT give this product away for free. You CANNOT include this product on a free membership site. You CANNOT sell this product or give it away on Ebay or any other auction site! You CANNOT change ANY of the content. You CANNOT bundle this product with more than one other.
