

The Other Side Of List Building - Mrr

[DOWNLOAD HERE](#)

The Other Side Of List Building Master Resale Rights Here Are Some Of The Covert Listbuilding Strategies You'll Discover On This "Must-Have" Audio: * Why I deleted my list of 120,000 people and started over (I basically violated this ONE rule of listbuilding - and since rediscovering it, made 10x MORE money with just 5000 from this "secret" list!) * Think all you need are a bunch of names and email addresses to make money online? I tell you how he almost got thrown in jail for assuming this (and what you can do to prevent this from happening!) * The stone-cold truth about what autoresponder to use to build your list (if you want to use a FREE autoresponder, then you're flushing money down the toilet!) * What you need if you're going to catapult your list size (if you don't have this critical element, it will take you 10-times longer to build this "secret" list that will keep paying you over and over!) * How I gave away a report for \$1 and added over 20,000 people to my list in a week (Best part: your affiliates will love it and so will your bank account as you keep getting paid every single month!) * A case study on how to use viral marketing to add over 10,000 people to my list (this was instrumental in me making over \$3.2 million dollars - and it was all because of this one "secret" tweak!) * How I turned a three-year old presentation into one of my most potent lead generation tools (this was the basis for building my "secret" moneymaking list that will keep paying my kids when they grow up!) * The most effective way to use direct mail and postcards to boost your list count (most of your competitors won't know what hit 'em!) * ...and a WHOLE LOT MORE!
