Wednesday 12:47pm From: Your Name Here Dear Friend, Niche marketing is truly an amazing way to make money online. With the rapid change of the Internet, the number of internet users increasing every day, there is more opportunity to make money than ever before. But you need to stay away from the biz opp and internet marketing markets if you want to make any real, sustainable income because you'll literally have a competitor in 24 hours. There are copy cats out there that are waiting for you to start a new "making money" related website so they can pounce on your idea. But how would you remedy a situation like this? How can you protect yourself? It's actually quite simple, you need to create rich multimedia based courses and products in little known markets that these people will never see or hear about. That's how you make your income under the radar and collect a hefty pay check every month. But how do you create rich, multi media based courses that not only sound professional but impress your customers? Until today, the only way to create a multimedia course has been to buy expensive recording software, teleprompter software, and hire professional programmers to create a user friendly way to

present the whole thing... Thanks to Audio Niche Automator, you'll be able to turn out amazingly content rich audio courses that turn the heads of your visitors, customers, and prospects in record time. Audio Niche Automator is like a well greased super machine that never needs a break or a paycheck to crank out audio product, after audio product without you even having to read anything! Enter your name and email address below and you'll send you the top 5 hot tips on how to make money "Creating Niche Audio Products" today! You will receive some great starter tips in a matter of seconds. So you can see what an incredible way Creating Niche Audio Products is to make a nice income from on the Internet! * Your information will not be sold or disclosed to anyone. We respect your privacy * What are you going to learn in this amazingly simple and powerful video course? A Simple Introduction The Problems with eBooks Planning Your Audio Set Introducing the External Program Collecting the Raw Data Translating Into Audio Collecting The Generated Mp3's Revenue Options Using iTunes as a Traffic Generator Summary And Features You'll learn why e-Books have lost their effectiveness and how they can actually be HARMING your business... There are literally hundreds of thousands of e-Books all over the internet now. The internet is literally flooded with garbage e-Books so it's hard to even prove your e-Book has any value, let alone make it stand out as an incredible product! You need to create something unique and that's where Audio Niche Automator makes your job easy as pie. Isn't creating an audio set a complicated and expensive process that requires not only loads of money but hours of complicated work? Ohh no, it's the complete opposite with Audio Niche Automator.... Audio Nichce Automator will show you how to make beautiful audio products out of any of those eBooks cluttering up your hard drive using simple, cheap, and powerful software... Have you ever wanted to create an audio product but just don't think you can pull it off? You absolutely can! You'll be popping out product after product quickly, easily and in record time. Imagine having your own line of interactive audio products that you sell to select niche markets know one even knows about that rake in gobs of sales every day... You'll be way ahead of the crowd of people selling e-Books, newsletters, and monthly membership sites...you'll be interacting with your customer on a personal level! Through their ears. Let's face it, the internet is going interactive. Internet users want to go

to a site and watch video and rich audio content because it's so much more fun than boring old e-Books and text websites. Think about it, which would you rather do....read a boring e-Book or listen to a content rich audio course? That answer is simple! The Audio Niche Automator Multimedia Series will Show you how to harness all of the top secret revenue options in audio for maximum profit! Writing is a laboring task. It takes days or weeks to plan and even longer to actually write. It's a grueling process that most people just don't have time for. That's where Audio Niche Automator and Private Label rights make an All Star team! You load a Private Label or Source Code product into the software we are about to train you on and BAM, out pops a deluxe audio version of the product that you can sell for 30 times more than the e-Book....talk about easy product creation! There are many more ways to make money selling rich audio than just in website based audio form! There is a special section in the Audio Niche Automator course that exposes all of them so you know exactly how to rip the maximum amount of cash from your audio products. You won't be left holding an audio product wondering what to do with it! You're also going to learn top secret methods to use the audio super giant iTunes to YOUR advantage to generate traffic! iTunes is undoubtedly the number one Mp3, Podcast and Video provider on the internet. They generate millions of dollars in sales every day and are ripping through marketplace. Wouldn't you like to get in on a piece of that? Now you can using the secret strategies in this special section of Audio Niche Automator! You'll be generating loads of traffic that doesn't cost you a thin dime in no time. Are you ready to jump on the bandwagon and start creating rich audio based products with a minimum investment of time? Or Are you going to let your competitors coming to the forefront of multimedia pass you by? When you see the content in these amazing videos you're not going to be able to sleep tonight. They are nothing short of amazing and I guarantee there is no easier way to create audio products on the internet... You deserve to have a line of professional audio products making you income month after month without dozens of hours of development time! It's your turn to cash in on the new multimedia craze and increase your income today! The time to start is right here, right now! Don't wait and get left behind! Now this video set is going to change the way that you have pictured doing business online... Until today 99 of all the money making garbage out there has sold you on "creating and e-Book" to make money online....hogwash What is it going to cost you to get your hand on this amazing video series to transform text files into content rich multimedia courses? You're probably thinking, great this is where a \$1000 price tag comes out of the bushes and bites me right on the top of the head... Sorry, but that's not the case. I'm not going to fill up

your head with a bunch of salesmanship either. I want you to have Audio Niche Automator on your desktop so you can start making money, plain and simple, and I want to make a few bucks for all of the time I spent creating this gem. While I could be charging hundreds or thousand of dollars for this information, I'm going to let you have it for the measly price of \$97! But I am not going to be selling this package forever and I do reserve the right to remove some of the secrets such as the "iTunes Traffic Generation" secrets at any time so you really need to get in today... So get on the ball, order right now, and you'll be watching the videos just a couple minutes right on your computers desktop so you can start cranking out those cash raking audio products! Link the above image button to your payment link and then delete this pink text. Be sure you send your customers to the "thanksNA.html" page for their download after their sale is completed
