"How Would You Like To Create Profit Pulling, List Swelling Reports Or Ebooks Within Minutes?" Dear Fellow Internet Marketer, I have just created something that every serious marketer needs. This isnt hype I am talking about but a serious need that most marketers have. We all have time restraints on us and our business. Why outsource reports and ebook creation when you can do it yourself within minutes? Introducing Tiger A2E.. Tiger Article Rewriter You may be asking what the heck is Tiger A2E. Tiger A2E is a software program that allows you to build reports and ebooks fast out of articles. You can literally make tons of \$7 dollar reports for list building or just make a larger ebook from the many PLR articles that are just sitting idle on your hard drive collecting nothing but virtual dust. You can have a professional looking report and ebook with Title page, disclaimer, biography, headers, footers, table of contents with clickable navigation within minutes. The hardest part is setting up your first report or ebook. Tiger A2E stores your last settings for title, disclaimer, biography, headers and footers for quick editing on your next report. Use the same settings or format over and over again making your product creation even faster. "You can now have a professional looking report or ebook in 6 easy steps." ===== priceless product visit my store here andrykesuma.tradebit.com =====
