How To Fall in Love with Your Mate...Again audio book will show you how to transform a stale relationship into the heart-pounding inferno it once was! If you fell in love once, you can fall in love again. Imagine how great that will feel! Remember when the sparks between you and your mate were so hot they burst into flames? Are you wondering What the Heck Happened? Wouldnt it be wonderful to be in love again? If you think so, this may be the most important message youve ever read because Im going to show you how you can Fall in Love With Your Mate...Again! The flames may not be as high or intense as they were when you first fell in love, but they are still burning. You just have to continually stoke them. The fiery passion of love almost always becomes a burning ember but with a little work you can turn those embers into flames again! Theres nothing like falling in love! Its an exciting time in anyones life and most of the time, we dont even notice when that intense feeling fades. Almost without warning, the day comes when we realize that its gone and we dont even know how it happened. Much of the time, nothing of consequence happens to cause a couple to fall out of love. But just like a plant that is not tended, love can wither and die if not properly nurtured. Of course, falling out of love doesnt mean you dont love your mate anymore. But life is simply too short to love someone and not show it on a daily basis. If youre like most of us, though, there are often more pressing things to tend to: work, kids, paying the bills, doing the chores, and on and on and on. If the pressures of life have forced you to put love on the back burner, youre not alone. But what if I told you that you can fall in love with your mate again and recapture the fire you once had? In fact, youll be surprised how easy it is. Read on... How Could This Happen? \* Financial issues can often create conflict between couples, causing anger, resentment, or worry to bubble to the surface. \* Children add a challenging new dimension to the relationships between couples, who can sometimes get lost in the family shuffle. \* Are you burdened with responsibilities to the point that you dont have the time or energy to be loving? \* Have you or your mate developed unattractive habits that make it difficult to feel or act in a loving manner? Falling in love again with your mate means thinking about your mate more than you do yourself. It is a conscious decision that takes effort on your part and on the part of your mate. Its different than simply showing your partner that you love them. Its intensifying those feelings

and evoking emotions that are buried deep down inside...emotions that often get buried under the day to day activities of life. Trying to understand what matters to your mate is one of the most important things you can do to revive and re-energize your love for each other. When you respond to your partners needs, you will get a feeling of fulfillment, too. Knowing you have given your partner something valuable makes you both closer and deepens your love for each other. Rekindle the Sparks of Yesterday and Watch as the Dying Embers Burst into Flames!! How To Fall in Love with Your Mate...Again audio book reveals... \* How to find out what really matters to your mate! \* Discover how taking care of your physical, mental, and spiritual health can cause your relationship to turn red hot! \* How falling in love with your mate again can Super-Charge your sex life!
