Email Marketing Magician Master Resell Rights Email Marketing is alive and well and kicking your competitions butt! Dont waste time with trendy theories SEO and Web 2.0! Increase Conversions, Sales and Affiliate Income Using Tried and True Email Marketing Methods! Create an avalanche of profits using the PROVEN email marking methods that are still secretly used by the best marketing gurus in the business! Join the Email Marketing Revival and Read My New EBook! These writing strategies put your message right in front of the nose of your customers and increase your chances of making a first or second sale! In Email Marketing Magician you will learn the absolute basics including -- How to understand the original intention and purpose of email marketing A crash course in the concept behind the development of a target market An explanation of what is spamming and what is advertising How to avoid being accused of spamming How to brainstorm a message for new prospects How to conceptualize a message for customers who may have already bought from you once How to make sure that your message is seen by customers who prequalify as buyers for what you are selling How to make your site into a moneymaking center using a targeted promotional email campaign Why so many marketers and online business people screw up a concept as simple as "sending a message to people who want to buy from you." How you can accidentally spam your customers and what you can do to avoid this fatal mistake How to turn off people by sending them emails that are nothing but hard sells that do not acknowledge their humanity How to repulse people by "shouting" at them in the header of the email How to turn people off using prewritten sales letter templates and why the personal approach to emailing is much much better How to send your emails to people who will immediately delete them without reading them How to get a firewall to block you from sending any email to any prospect How to break all of the laws established by the SPAM Act of 2003 and put yourself right out of business! How to spam your way right into a case of criminal prosecution even when you have the most innocent of intentions! Why it is lethal to your business to have it appear as if your messages were sent by a sophisticated piece of software All about email harvesting and how using these types of programs can actually land you behind bars How you can unwittingly be sold commercially available software that is in essence email harvesting

software that can get you in legal trouble Why it is not a good idea to be greedy and have a list that is too large What is the best email software to use so that you do not get in trouble for spamming Where to find customers who want to hear from you How to catch prospects by getting them to willingly give you their email list Why all auto responders are not created equal! How to avoid angering your ISP when you send out mass emails Where to get the best email subscription forms for your website How to lure your customers into giving you their email using incentives How to automate your email sending process so that each and every subscriber is followed up with a welcome and some kind of invitation Why consistency is important once you start emailing your prospects and customers Why you need to think big when you first set up your auto responders What is a squeeze page and what can they be used for? How to drive targeted traffic to your website How to commission and offer your readers a free report How to create powerful and compelling landing pages that will make anyone who visits your site want to subscribe to it All about video landing pages and how to create one How to create a double opt-in list to protect yourself against spam complaints How to integrate your email marketing efforts with the trendy principles of Web 2.0 How to build relationships with people using your email auto responder so that they will feel more connected to you, more trusting of you and more willing to buy what you have to sell [YES] Can be packaged with other products [YES] Can be offered as a bonus [YES] Can be edited completely and your name put on it [YES] Can be added to an e-course or autoresponder [YES] Can be added to membership sites [YES] Can sell Resale Rights [YES] Can sell Master Resale Rights [NO] Can be offered through auction sites [NO] Can sell Private Label Rights Tags: increase conversions sales and affiliate income, a crash course in the concept behind the development of a target market
