How to understand the original intention and purpose of email marketing 2. A crash course in the concept behind the development of a target market 3. An explanation of what is spamming and what is advertising 4. How to avoid being accused of spamming 5. How to brainstorm a message for new prospects 6. How to conceptualize a message for customers who may have already bought from you once 7. How to make sure that your message is seen by customers who prequalify as buyers for what you are selling 8. How to make your site into a moneymaking center using a targeted promotional email campaign 9. Why so many marketers and online business people screw up a concept as simple as "sending a message to people who want to buy from you." In my own particular, no nonsense "been there done that tone" I will teach you everything you need to know about developing your own money making email list in an ethical way including: = Why it is not a good idea to be greedy and have a list that is too large = What is the best email software to use so that you do not get in trouble for spamming = Where to find customers who want to hear from you = How to catch prospects by getting them to willingly give you their email list = Why all auto responders are not created equal! = How to avoid angering your ISP when you send out mass emails = Where to get the best email subscription forms for your website = How to lure your customers into giving you their email using incentives = How to automate your email sending process so that each and every subscriber

is followed up with a welcome and some kind of invitation = Why consistency is important once you start emailing your prospects and customers = Why you need to think big when you first set up your auto responders = What is a squeeze page and what can they be used for? = How to drive targeted traffic to your website = How to commission and offer your readers a free report = How to create powerful and compelling landing pages that will make anyone who visits your site want to subscribe to it = All about video landing pages and how to create one = How to create a double opt-in list to protect yourself against spam complaints = How to integrate your email marketing efforts with the trendy principles of Web 2.0 = How to build relationships with people using your email auto responder so that they will feel more connected to you, more trusting of you and more willing to buy what you have to sell == For Complete Details and to view a copy of the Professionally designed Web Page like the one you will receive with this package just click on the "Download free Preview" link in the upper/left corner of this page....! = A separate page will open. ----- This Product Comes With Master Resell Rights What you can do: [YES] Can be packaged with other products [YES] Can be offered as a bonus [YES] Can be edited completely and your name put on it [YES] Can be added to an e-course or autoresponder [YES] Can be added to membership sites [YES] Can sell Resell Rights [YES] Can sell Master Resell Rights What you cannot do: [NO] Can be offered through auction sites [NO] Can sell Private Label Rights ##### Customer Satisfaction Guaranteed! ##### \$\$\$== And Don't Forget your FREE Bonus!!!
