That's why this is the time for you to make your blog into a profit machine. There are literally millions upon millions of people throughout the world who are reading blogs and you can (and will) tap into those millions of people. But there is another reason to blog too. Because of the nature of blogs updated frequently, usually contain valuable information, easy and fun to read, etc. they rank very well with the search engines. That means your blog can show-up when people search for popular keywords and keyword phrases. And Blogging for Profits will show you how to make this happen! So how much do you have to pay for this one of a kind product? How much do you have to pay for 6 Workshop Booklets and an email mentorship? Well, many new Internet Marketers, who realize the importance of mentoring, willingly and eagerly pay at least \$50 every month to be part of a mentoring program. And people who want to make something happen with their blog would happily pay \$77, \$97, or even \$197 if they knew they'd get the information to make their blog a major player online. They'd probably pay even more than \$197 if it meant making good money with their blog. But if you buy

Blogging for Profits right now, all you have to pay is \$47.97. Less than \$50 for both the Workshop Booklets and the email mentoring. Now, I could tell you that I was going to charge you \$97 or even \$197 but I wont lie to you. Honestly, those whove seen this course told me I could charge at least those amounts, some even said I should charge \$97 for just the booklets and then I should upsell you on the email mentoring for \$147. But I want this to be affordable. If youre looking to make real money with a blog then that means you havent made any real money yet. And that probably means you simply cant afford to pay a lot of money for my product. So I am determined to give everyone a chance to discover how easy and fast it is to set-up profitable blogs.
