Discover The Latest In Unstoppable Popup Technology And Put Your Messages In Front Of Your Vistors! Increase Your Opt In Rates By An Amazing 319 With Popups That Are Absolutely Attention Grabbing And Scream Out Your Message! New in Version 2, two very powerful ways to make sure your messages get seen. First, we have added a new exit popup... just as your visitor is getting set to leave your site, the popup magically appears - from out of nowhere, allowing you one more chance to reach your visitors before they leave. Second, by now, Im sure youve seen the amazing Peel advertising thats sweeping the IM world these days. Well, we didnt want you to miss out, so weve added the ability to put those awesome Peel Ads on your site too! And whats so amazing is that theres no code to edit. No copying and pasting, making sure you put it in the right place. You just select your html page, your image ad and click a few buttons, and WHAMMO! Just Upload and Go! Includes turnkey website and full master resell rights!
