A Killer Strikes Again. . .And Again. . .A twisted serial killer is stalking the streets of New York City, dealing his own perverse brand of justice. He kills silently, leaving his calling card--a red "J"--on the bodies of his victims. The only man with a shot at finding the killer is tough-as-nails retired NYPD homicide detective Artemis Beam. And he's more than willing to return to the work he does best. Even better, Beam isn't officially a cop anymore--so he doesn't have to play by the rules. . .
