Make Money Building Mobile Websites Audio and Video Tutorials. Special Script To Show On Any Mobile Phone. If you have been doing any research you will see an abundance of sites turning up that will allow you to build a mobile site for a monthly fee. Unfortunately they drive all the traffic to their site as well in most cases. We provide you with a script that will be hosted on yours or your customers site making sure you get all the credit. If you can copy and paste you can do this. Very simply these are the statistics: * 100 million people actively using Facebook from their mobile devices every month. * Millions of mobile users access Google for products and information * Millions of iPhone and iTouch users * Android as a cheap alternative is now rushing the market * Usage of m.youtube is exploding and mobile consumers watch hundreds of millions of video views on YouTube Mobile each month. * 63 percent of survey respondents said they would be more likely to give up their money than their mobile smart phone if they were mugged. * Smartphones are driving an explosion in mobile internet use And the list goes on.
