

6 Flash Beauty & Hair Salon Website Templates

[DOWNLOAD HERE](#)

These sites are completely & professionally built, and 100 customizable, with layout and design done on each page. A great opportunity for, individuals, web designers and webmasters to build a custom website for their customer, or for yourself. These websites contain the following: All Flash files in .fla for editing PSD for every image and entire website to make easy design changes All graphics All Fonts used CSS File for easy style changes All the source files included make these websites extremely dynamic and versatile. Design and style changes are made easily and within minutes. We recommend the following software for customizing the website before publishing Adobe Photoshop to edit the PSD files. Adobe Dreamweaver or Microsoft FrontPage to edit the HTML. Adobe Flash to edit any FLA flash files. Please don't confuse our professional websites with cheap non-editable website templates on Ebay. You can see for yourself they are a world apart.
