Grab Your Visitors By The Eyeballs, Explode Your Profits, And Practically Force Your Prospects To See Your Message With The Latest Profit Producing Technology ... "Impact" PopUps! We'll show you exactly how to do it in just a few simple steps - even if you don't know a single line of HTML code! What if I could show you a way to capture your visitors attention, force them to read your most important message, and do it with just a few simple clicks? Would that interest you? It's no secret that popups are effective, but traditional popups only work if your visitor doesn't have a popup blocker installed. Most popup blocker technology works the same way. Almost all popup blockers look for any code that creates a new window, and then closes that window before it even has a chance to open. This seemingly harmless technology is blocking more than just a popup, it's killing your profits! "Impact PopUp" Uses Specialized Technology That Is Smart Enough To Get Around Those Pesky Popup Blockers! What you need to create effective popups is a something new. Something that is just as effective as a traditional popup, but smart enough to not fall prey to popup blocking technology. That is exactly what "Impact PopUp" does! You see, this new method of creating dazzling popups doesn't create a new window of any kind. In fact, it's actually part of your web page itself! Using "Impact PopUps" you can rest assured that your message will show up when you want it and create the impression you so desperately desire. Impact PopUps bypasses the popup blockers and will give you the peace of mind in knowing that your messages will be seen. What Can I Use "Impact PopUp" For? If you want your visitors to know about it, Impact PopUps are the answer. You can use Impact PopUps to make sure your visitors know about: \* Your Product's Most Important Feature - Highlight it in a popup and it will really make an impact! \* Special Discounts Or Promotions - Everyone loves a sale, but only if they know about it. \* An Important bodysmall - Build credibility from the minute a customer hits your website! \* Contest & Sweepstakes Announcements - Who doesn't want to be a winner? \* Product Updates - Displaying an "updated last week" message will skyrocket your sales. \* Reminders - Let your prospects know that a new product is coming, or that a sale is ending so they'd better act fast! \* Opt-in List Building - Tell your visitors about a free gift and your list will grow by leaps and bounds. \* Traffic Control - Have an old domain that's still getting traffic? Make sure your visitors know

where to go! \* Up Selling & Cross Selling - Include an Impact PopUp on your thank you page and grab your buyers while their credit card is still on the table! \* Affiliate Product Promotion - Let your prospects know about new product launches the minute they get to your site.
