Today, not even 3 months later, my eZine goes out three times a week to - get ready for this - OVER 10,000 OPT-IN excited Subscribers! People often ask me how did I grow my ezine list so rapidly. By the way, my list is growing by 100's daily! Kinda exciting, huh?" - Edward Thorpe/Laziest Dude on The Interner The-Home-Grown-Biz-Advocate.com Well, realize that this valuable information could easily sell for thousands of dollars. Ive spoken at LIVE Bootcamps and SuperConferences where people paid a thousand dollars even up to \$1,997 to attend. And I charge a lot of money to have my coaching clients pick my brains about my "SECRETS as a Master ListBuilder". Many people even placed a bid of up to \$6,500 to be personally coached by me These golden nuggets and action-oriented steps are VERY valuable in terms of the money and time you'll SAVE by learning them from someone who's been there and done that instead of doing it on your own by trial and error. I thought \$97 would be a good figure to charge for this extremely valuable information. That's definitely a bargain since I now charge \$350 per hour for my consulting time. But Im not gonna charge you anywhere near that amount! You know why? Well, its really quite simple... because it is a digital product, my overhead is very low for a couple of reasons: #1: It does not require my personal time and you can download it within 5 minutes without me being there even if youre reading this at 1:47 am! #2: There is no inventory nor do I have pay anyone to take orders. Mike Litman Host - World's #1 Personal Development Radio Show MikeLitmanThe Mike Litman Show Co-Author #1 International Best-Seller "Conversations with Millionaires" "I just wanted to email you and let you how much I enjoyed your list-building teleconference tonight. I consider myself to be fairly advanced in the area of list-building and opt-in marketing, but I still found myself taking HUGE amounts of notes, all the while thinking, "Why didn't I ever think of that?!" I especially love the fact that your 12-step list building model is as applicable to newbies as it is to experts...no other system I've tested can boast that! I don't know how you did it, but somehow you managed to boil the entire list-building process into simple, easy-to-follow steps. I'm confident that anyone who implements them, whether they be expert or newbie, will have the knowledge it takes to build their list like the pros. Thanks again, Joel, and take care." Ryan Deiss OptInAutomator.com "Your presentation at the seminar was handled much like our telecoaching call with you. You were helpful, caring, knowledgeable, and sincere and this was clearly conveyed to everyone in the room. I know that you will continue to have a positive impact on thousands of people. I look forward to continuing our relationship together. Thanks so much. Kind regards, David Peha infoproductsmarketing.com "Thus far, you get my vote for BEST special guest speaker! I was very impressed with everything you had to say, Joel. I was so anxious and excited to get signed up for your program. agree with me that you really want to see others succeed as well. Thank you for taking time to share your vast wealth of knowledge with all of us, Joel. I am looking forward to learning all I can and taking advice and direction from the best! ...And you are the best teacher. Thank you for all the tips and organization of things. I like how you get to the matter of things and stick with your agenda. I really do appreciate your time and efforts, and you are a GREAT coach!!" - Lisa Ramirez, Webs4Success.com Joel's listbuilding class is the bomb! In only four weeks I have learned enough to pay for the whole course. I am looking forward to having a very large list very soon because of the many techniques and tips I learned on these calls. I would definitely recommend this class to anyone who wants a large list fast and, as Joel says, your list is your Gold. It's the foundation of any good internet marketing business. Thanks Joel, for all the info! Looking forward to further education from you. - Debbie Wood, Founder and CEO - Lifestyle Coaching Group unleashthetiger.com Joel, I just wanted to take moment to thank you for the outstanding ListBuilding Telecoaching program. While I have mastered many other elements of marketing, your specialized knowledge has for the first time given me clear path to building a huge e-mail list that will likely have me making a second full-time income within the next 12 months. You've helped me eliminate a lot of wasted steps and probably a very large amount of wasted money doing this on my own (believe me I was on the wrong path before your telecoaching program. Your course is paying for itself many times over and I've just begun! I particularly appreciate the personal time you've spent with me on the phone (both the great tips and the encouragement). It's that personal touch that makes the difference between success (which you've pointed me to) or frustration. The list building techniques you teach will really augment my marketing consulting business and I will strongly encourage my clients to take any future ListBuilding courses you teach.
