Quietly Reveals The Shockingly Simple Steps He Used To Crack the First Page of Google In Only 8 Days Simply Using A FREE Service" No Prior Knowledge or Website Required... All You Have To Do Is Rinse and Repeat... 100 Guaranteed From the Desk of: Tracy Yates
Date: Wednesday, April 26, 2007
Dear Frustrated Internet Marketer, We all know what being on the first page of Google could mean to our bank account... The question is how can that happen for me.... I'm sure you've read ebook after ebook and watched video after video, but still haven't had any success... That goes for 99.9 of us! All the experts point to this... and they point to that... and we follow right along... and as their bank account gets bigger... ours gets smaller... Time and time again, day after day, we hear Google is the Holy Grail of traffic And You Know What? That Statement is 100 Correct But getting there isn't so easy... or we'd all be well off.. Right? So the million dollar question is- How do I get traffic into Google? or better yet "How Do I Get on the First Page of Google? Have you ever heard of ? I had... off and on... but just blew it off... That is until I met Paul Duxbury... Paul is just an ordinary guy... actually got started online with his passion for genealogy... and went on from there... Well.. He shared a little story with me... On April 1st 2007... He started to demonstrate to a Group of Friends how to go about creating a Squidoo lens. OK.. That's fine and dandy... nothing special there... On April 9th 2007...Eight days later... That lens was on the first page of Google for it's main keyword phrase out of over 4 million results! THAT GOT MY ATTENTION! Squidoo is the brain child of Seth Godin... and if you don't know who that is... well you should... so look him up when you have a chance... Anyways, Squidoo is a community of people who are building web pages, which they call lenses, in a diverse range of subjects. In fact the range of topics is incredibly diverse and you can find lenses on just about every subject imaginable and some you might not imagine! Everybody from the hobby enthusiast to the business person is now recognizing the power that Squidoo provides to connect with others who share their interests or might be potential customers. If you haven't noticed yet... through your own searches on Google... Squidoo is all over the place... The main thing about Squidoo is... Google Loves Squidoo! Just to be crystal clear ...

Google Loves Squidoo! The results above prove that... So I decided ... I better twist Pauls arm... hence SquidooBlueprint was born. You Can Achieve Top Ten Rankings on Google! You Are Going to See Exactly How Paul Approaches Building a Squidoo Lens... And Lens' Are Not Created Equal! Paul has been using Squidoo since mid 2006 and experimenting with a whole range of approaches to use it as an Internet Marketer. The tactics he used on the demonstration lens above are those that he uses on every lens he builds.... No Secrets Here... Just Exactly What He Does Everytime He is routinely seeing high rankings for some great long tail keyword phrases in all the niches he operates in! You Can Easily... Generate Affiliate Income Improve Search Engine Rankings for Your Websites Drive Visitors to Your Websites and Blogs Generate Subscribers Turn PLR Articles into Money Generators Achieve Top Ten Ranking on Google Even Make Donations to Charity... As with everything I do and teach, there is work involved. If you still expect to grow your business by doing nothing then this report is not for you. Let me stress, it is NOT hard. Nothing In Internet Marketing is HARD. So Please, Spare Me the It's Too Hard Speech Because it Simply is Not True... Everything can be broken down into manageable chunks and then pieced together like a jigsaw puzzle. SquidooBlueprint highlights the logic behind leveraging Squidoo to milk Google. LISTEN UP!! THIS IS IMPORTANT!! Anybody can set up a web site these days.... But will they make money with this stuff? The reality is that the majority of people never make money with their online ventures. Why? They don't have the "specialized knowledge" that is needed. You see, it's not the "basic" stuff that makes people money. You need to know the small things...the little details that will fill your bank account with money. But you're in luck... "Specialized Knowledge" is Available to You... As I just mentioned, it's the "small things" that bring in the money here. Without knowing how to do this stuff, you're going to go broke...with an "online business" that is nothing more than an expensive hobby. So ask yourself... Do you want a hobby that costs money or do you want a business that makes money? If you're just looking for a hobby...it's my opinion that there are things a lot more fun than this. But if you want an enjoyable way to make big money, you're in the right place. The SquidooBlueprint Includes 5 Separate Components: 1. SquidooBlueprint Manual Pauls NO FLUFF guide shows you exactly how he approaches building a Squidoo Lens... to bring in traffic by the truckload. You get everything you need to know about how using Squidoo can sell more, promote your business, and grow your list. This step-by-step guide includes: Why Use Squidoo Building Your Lens Covering The Modules You Should Use Day One of Your Lens Advanced Techniques ... and more 2. Squidoo Profits Step-by-Step Since Pauls guide assumes you

have some experience with Squidoo... I wanted to cover all bases... with another guide that assumes YOU KNOW NOTHING. Squidoo Profits offers you step-by-step details on how to set up Squidoo marketing campaigns, from the point of keyword/product research, all the way up to the final touches. This really Goes Hand-In-Hand with SquidooBlueprint! 3. How To Build A Massive List With Squidoo This is my favorite bonus, and once you see it you'll know why. This bonus is easily worth the value of the whole course by itself, and many times over. I will teach you how to build huge e-mail opt-in lists with Squidoo, a strategy which will undoubtedly bring you income for months and months down the road. 4. 15 Hot Niches on SQUIDOO As if it wasn't enough that I take you by the hand through setting up a campaign, I give you 15 Hot Niches to get you started on your Squidoo marketing efforts. Once you see sales with these 15 Hot Niches and have experience, you can branch off and start experimenting with other niches. These niches ideas have come from months upon months of research. 5. How To Easily Dominate EzineArticles With Squidoo Find how you can dominate EzineArticles on (almost) any keyword using simple Squidoo tactics...(12 pages...but a true gold nugget) Imagine Watching Your Business Grow From Zero Subscribers and Zero Money to 1,000's of Subscribers and Money Whenever You Want it? SquidooBlueprint Can Help Get You There! This Isn't For Everybody...and It May Not Be for You! I know what you're thinking... A lot of products have been designed for beginners, while a lot of them are for more advanced marketers, so which one is this? I've designed this product so that everybody will benefit from it. Whether you're just getting started and don't even have a site up yet, or you're like me and have been around forever, you'll benefit from my knowledge. Still, this product may not be for you...regardless of your level of marketing experience. What I mean by that is... It won't just magically add money to your bank account simply by having these files on your computer.... Of course, if you're willing to do a little bit of work to get things going, this system is for you. And it's something that will change your life in a big way-- more money, more time, and more happiness. Do you want to know what it will cost you to get access to the SquidooBlueprint?
