Magic Link Generator is so easy to use you can perform magic on hundreds even thousands of documents in a matter of seconds How and why should I use Magic Link Generator? Why? Content is by far the most important part of any webpage. Content is not only important to your visitors but to search engines as well. With MLG you can make it even more important, by creating money making links, or anchor text links to other pages on your site or other sites you own. How? As you can see by the screen shot, MLG is super easy to use. You simply Enter your keyword or keywords Enter your URL or URL's Choose a Source folder (where your content is at) Choose a Destination folder make a few optional choices Click the Button and "Presto" ----- If you are looking for more ways to generate income from your site and/or are hoping to get better search engine listing, Magic Link Generator is a tool you should have in your web toolbox. It is super easy to use and very affordable, but you will get the MOST value when you put Magic Link Generator to use on YOUR content. I have priced MLG at a super low introductory price of \$4,97 but this price could go up at any time. I'm in the process of working on a few additions to MLG that will make it more powerful, which is good news and bad news. The bad news is once these additions are made the price will surely have to go up. The good news is that if you buy now you get lifetime updates, so regardless of how much the price goes up you still only pay \$4,97 today. Get Yours Now Before the Price Goes Up! You deserve to make more from your content Thank you
