Campaigns, Campaigns, Campaigns! Everyone seems to be campaigning this year You can, too, for YOURSELF! Campaign for BACKLINKS to boost your site rank! When it comes to Search Engine Optimization (SEO) backlinks, also called incoming links, in-bound links, in-links and inward links, are important. They are, to the search engines, an indicator of the site's popularity or perceived importance. Both the quality and quantity of the backlinks are important. It's not just "how many", but "how good" they are. How can YOU build LOTS of QUALITY backlinks ? With articles. Why articles ? Articles are a great way to distribute information and help people. Articles are a means through which email lists can be built (think "sales"! ). A well crafted article gives the reader a level of confidence in the author. Articles are a jumping-off point for traffic to your website. Your author's signature line could be the next click if the viewer is impressed with what he has just read. How can you use articles to increase your backlink count ? That's where BACK LINK FACTORY comes in! How can BACK LINK FACTORY help YOU ? Learn how to distribute articles on a massive scale. Learn how to research your back links. Learn how to leverage your articles. Pick Your Own Price! That's right ! Try to catch a LOW, LOW PRICE for yourself! Don't like the price you see ? Refresh the page and try again! The future of your websites is firmly in your hands. Never let someone tell you that it's impossible to get several backlinks to a website within a short amount of time again. It's time for you to take control and start pulling in the traffic that you want. Michael S. Brown, author Back Link Factory
