

Mystical Poetry

[DOWNLOAD HERE](#)

HEALING TREE by Michaela Seftler with Innercircle Publishing. In this compilation, Michaela presents a series of poems that convey healing as a mystical state supported by an ancient system of faith and understanding, describing belief in a creator as the root essence of our existence. She describes nature and spirituality as interconnected to contain a reality where possibility is actual. She draws on ancient Qabbalistic knowledge, the poems are inspired by esoteric work and knowledge,
