Strategy online game - Civilization Age-of-Knights Introduction to the Game Source Civilization is the ultimate strategy game, offering players the chance to lead their chosen nation from the dawn of man through the space age and become the greatest ruler the world has ever known. Civilization is a turn-based single-player computer game. The player takes on the role of the ruler of a civilization starting with only one unit. The player attempts to build an empire in competition with between many other civilizations. Along with the larger tasks of exploration, war and diplomacy, the player has to make decisions about where to build new cities, which improvements or units to build in each city, which advances in knowledge should be sought (and at what rate), and how to transform the land surrounding the cities for maximum benefit. The original project is based on Devana. Whist many elements of the game remain similar to this projects much of the code, grafics and options are new. The offer we are selling right here is therefor not the game source but all the moddificated game options, game translations, new grafics, new game scripts, payment options by Paypal and Phone and lots more. Of course you will get also the whole package so you start your own online Civilization Strategy Game, an exact copy of the online demo, in a few minutes. Tags: rpg
