Dear Internet Bloggers, If you are still wasting a ton of hours manually updating your niche blogs every single day... ..then this will be the most important letter you'll ever read! Let us first ask you a question 'Do you still remember how it first felt when you first started blogging?' Chances are, you were pretty excited.. But as time goes by, you soon got bored with having to constantly update your blogs manually. You might have even collected hundreds and hundreds of PLR Articles on every niche possible with the plan of creating a content site for each of them. And the truth is, content sites or niche blogs are indeed lucrative and they have the potential to make you alot of money. But it can be time consuming and requires lots of discipline to upload your PLR articles every single day. And because of that, most people fail to follow through and develop those niche blogs. Let's face it... We all have 24 hours in a day and we wanna make the most of it by spending more quality time with our loved ones. Or perhaps you are yearning for a very long vacation completely away from the daily work activities? But the sad truth is you can't do it because your online business constantly need your presence for it to grow continuously. You are caught in a vicious cycle where you are working hard to achieve the real freedom, that you so desire... And as your business grows, you keep amassing more and more work and... ..your dreams? It now seems to drift further away. You are increasingly frustrated and get upset over everything. And you are starting to wonder if one day you'll be able to get out of this madness! But hey! Relax... If you wondering how to create a network of self-growing niche sites that will grow on autopilot based on content you could provide once and for all, we have the SOLUTION for you! The key lies in automation and with our cool piece of software you only have to work once and schedule all your blog posts for months ahead without you ever lifting a finger again... Presenting To You... Instant Blog Feeder Here are 9 Reasons Why You Should Use IBF For ALL Your Wordpress Blogs: Queue up your all your blog posts at once for months and even years to come so that you never have to worry about updating your blogs again. The scheduling feature allows your blog to grow on complete autopilot even when you are on vacation. Randomize your time posting schedules so that it will look as if it's completely human based and the growth will appear natural for the search engines. Automatically insert relevant Technorati tags for each

post so that you can benefit from extra backlinks and rank higher in search engines. Automatically upload articles in correct categories so that your blogs have a tight related theme which will further increase your rankings. Password protection so that ONLY you will have access to the blog postings. Automatically create headlines in each blog post according to filenames or the first line of your article. This feature offers you a complete control on each posting you make. NEW! Post unlimited PAGES in your wordpress blog and schedule them all in just a few clicks! NEW! Automatically add custom wordpress tags for all your posts at once so that you'll never have to do it manually. And much much more...
