Launch Your Product Online Master Resell Rights This is the premise of Launch Your Product Online as this is a direct conception from the mind that pulled off 11 successful product launches in just 2 years! In This Course, You Will Learn: Product Launch Criteria - a quick checklist on whether your product or service meets the requirements of a potential 6 figure launch! The 3 stages in product launch - all are just as important! Most failed product launches are owed to weak areas in one or more of these stages. How to build buzz and generate interests - get a list of pre-buyers lining up via your Advanced Notification List before your launch day! Launch like the top guns! How to convince and get Joint Venture partners to willingly promote your launch. How to create a continuous stream of income even after the launch is over, and make money over a long tail period of time! Tags: mrr
